Welcome

On behalf of Villa Maria College, I am pleased to introduce the 2023-2024 Student Handbook. This handbook is a valuable resource, which contains information about the College, and its policy and procedures for students. These policies and procedures guide our actions as a college community toward fulfilling our mission and living out the College's core values.

At Villa Maria College we believe education is about more than just earning a degree. Beyond our desire for students to develop intellectually, we are concerned with the overall physical, emotional and spiritual growth of the individual. The College offers a full complement of support services to help students succeed personally and professionally, from our Career Services Center and Campus Ministry to the Student Success Center and our Care Center.

In order to be a successful student at Villa Maria College it is essential that you seize the opportunities that are presented to you for intellectual and personal growth. This is applicable to all areas of academic and college life, including the classroom, your co-op or internship, student organizations, activities, opportunities for spiritual growth, service to others, and more. As faculty and staff of Villa Maria, we will support you in these endeavors and challenge you to be transformed by your educational experience.

Please note that all students are responsible for reading and knowing the policies and regulations in this handbook. This handbook will be a helpful guide throughout your time at Villa Maria College. We encourage you to consult it regularly and use it wisely.

DJ Schier
Dean of Students

Introduction

This Student Handbook contains helpful information. It also contains policy statements and procedures which every Villa Maria College student is expected to follow. Each student is responsible for knowing and observing the contents of both this handbook, as well as the Villa Maria College Catalog.

In recognition of the necessity to provide an environment conducive to free inquiry and free expression in an academic institution, for fair and just relationships with students, and in the spirit of the “Joint Statement on Rights and Freedom of Students,” Villa Maria College has developed the Student Rights, Student Responsibilities and the Student Code of Conduct contained in this handbook.

Villa Maria College expects the members of the College community to demonstrate respect for themselves and others at all times. This respect includes a responsibility to show sensitivity to difference and act justly in interactions with one another. All members of the community are entitled to and responsible for maintaining an environment of civility that is free from disparagement, intimidation, harassment, and violence of any kind. Villa Maria College expects the members of the College community to respect college property, the private property of other members of the College community, and the property of the larger neighborhood and city in which we live.

Provisions of this Handbook are not to be regarded as a contract between the College and the student. The College reserves the right to make necessary changes in the information contained in this handbook, which supersedes all previous handbooks.

Within the triangle, which symbolizes the Most Holy Trinity, is the Immaculate Heart of Mary as it is depicted in the Seal of the Congregation of the Sisters of St. Felix of Cantalice. The crossed arms of Christ and St. Francis of Assisi symbolize the Franciscan Rule of the Third Order Regular, with the Eucharistic Host placed upon the Cross depicting the Eucharistic and penitential character of the Felician Congregation. - Generally, the faculty decides upon sanctions for acts of Academic Dishonesty. Thus, Academic Dishonesty may carry specific penalties carried out by the faculty outside of the Conduct Procedure. Those penalties include but are not limited to: failure on the specific assignment, failure of the course, and/or a letter detailing the offense that is kept in the Office of Academic Affairs. Note that although deference is given to the faculty to handle matters of Academic Dishonesty, such action does not preclude disciplinary action under the College Conduct Procedures.

- The Dean of Students is charged with development of policies for the administration of the conduct program and procedural rules for the conduct of hearings that are not inconsistent with provisions of the Student Code of Conduct. Questions of interpretation of this College Conduct System's procedures are to be resolved by the sound judgment of the Dean of Students.
- A Conduct Body may be designated to resolve certain disputes within the student community. All parties must agree to resolution and agree to be bound by the decision with no right of appeal.

Charges and Hearings

- Any member of the College community may bring charges against any student for alleged violations of Student Code of Conduct. A charge shall be prepared in writing and directed to the Dean of Students or designee who is responsible for the administration of the College Conduct System. Charges should be submitted within six months of the incident.
- The Dean of Students or Designee may investigate the charges to determine if the charges have merit, or appoint a qualified investigator to do so.
- The Dean of Students or Designee may attempt to dispose of the charges by mutual consent of the parties involved on a basis acceptable to the Dean of Students or Designee. Such disposition shall be final and there shall be no subsequent proceedings. If the charges cannot be disposed by mutual consent, the Dean of Students or Designee may later serve in the same matter as a member of the Conduct Board.
- All charges shall be presented to the accused student(s) in written form. A date and time shall be set for an initial hearing within a reasonable time after the student has been notified, generally not less than two and not more than fifteen calendar days. Notice will be given to the student via College e-mail and in a written letter mailed to their address on file, or delivered to them in class. Failure of the student to collect his or her mail from an e-mail inbox does not render the notice ineffective. Maximum time limits for scheduling of

hearings may be extended at the discretion of the Dean of Students or Designee for the convenience of those involved.

- An accused student may request an initial meeting with the Dean of Students to clarify the charges against him or her and learn about the College Conduct System.
- If College officials determine that the actions of a student(s) are a threat to the health and safety to any member or members of the campus community, the College may immediately suspend the student from classes and campus activities, and remove the student from campus pending a Conduct Hearing on an interim basis.
 - During an interim suspension, a student may continue course work through independent study unless otherwise determined by the Dean of Students or the Vice President for Academic Affairs.
- Students under criminal investigation or who have pending legal charges may be suspended until the resolution of the criminal investigation or legal action.
 - During an interim suspension, a student may continue course work through independent study unless otherwise determined by the Dean of Students or the Vice President for Academic Affairs.
- Violations of the Student Code of Conduct will be handled through the College's Conduct System. If a controversy cannot be disposed of by mutual consent, a hearing will be conducted.

Conduct Hearing Procedures

- Conduct Hearings shall be conducted according to the following guidelines:
 - The Dean of Students will appoint a Hearing Officer or a Conduct Board to conduct hearings and determine sanctions.
 - Conduct Hearings shall be conducted in private and may be recorded, which will become part of the student record.
 - The complainant, accused student(s) or respondents, and their advisors, if any, shall be allowed to attend the entire portion of the hearing at which information is received (excluding deliberations). Admission of any other person to the hearing shall be at the discretion of the Conduct Board and/or the Dean of Students.
 - At no time is a parent, guardian, or relative, permitted to be present for a Conduct Hearing. Legal counsel may be permitted at the discretion of the Dean of Students, but cannot exercise a speaking role in the hearing.
 - In hearings involving more than one accused student, the Dean of Students and/or Hearing Officer, at his or her discretion, may permit the hearings concerning each student to be conducted either separately or jointly.
 - The complainant and the respondent student have the right to be assisted by an advisor. The advisor must be a member of the College community and may not function as an attorney at the hearing. The complainant and/or the accused student is responsible for presenting his or her own information and, therefore, advisors are not permitted to speak or to participate directly in any hearing. A student should select as an advisor a person whose schedule allows attendance at the scheduled

date and time for the hearing because delays will not normally be allowed due to scheduling conflicts of the advisor.

- The complainant, the respondent student, and/or Hearing Officer/Conduct Board shall have the privilege of presenting witnesses. The Hearing Officer/Conduct Board shall have the right to question all witnesses.
- Pertinent records and written statements may be accepted for consideration at the discretion of the Hearing Officer/Conduct Board.
- All procedural questions are subject to final decision by the Dean of Students, the Hearing Officer and/or members of the Conduct Board. The Hearing Officer/Conduct Board may choose to suspend the hearing to consider such questions. The Dean of Students or Designee shall have the final say as to procedural matters.
- All decisions in the Student Conduct process shall be made on the basis of the preponderance of the evidence, whether it is more likely than not that the accused student violated the Student Code.
- Formal legal rules of process, procedure, and/or technical rules of evidence, such as those applied in criminal or civil court, are not used in the Student Conduct System.
- Nothing in these paragraphs shall be interpreted to include the right to legal counsel. There shall be no cross examination of witnesses except by the Hearing Officer/Conduct Board if necessary.
- There shall be a single record, such as written notes or a digital recording, of all hearings before a Conduct Board. Deliberations shall not be recorded. The record shall be the property of Villa Maria College, governed by the rules of FERPA.
- If after receiving notice as described above, the respondent student does not appear for a Conduct Hearing, the hearing will be held in that student's absence. The information in support of the charges shall be presented and considered even if the accused student is not present.
- The Hearing Officer/Conduct Board may accommodate concerns for the personal safety, well-being, and/or fears of confrontation of the complainant, accused student, and/or witness during the hearing by providing alternative means of testimony, where the Dean of Students deems appropriate.
- Proceedings under the Student Code are not criminal or civil proceedings and shall not be construed as such.

Conduct Hearing Procedures Involving Sexual Offense Charges

- The Campus Sexual Assault Bill of Rights (outlined above) can be found in this Handbook, and in the College's Sex Discrimination, Sex-Based & Sexual Misconduct Policy found online here: https://www.villa.edu/wp-content/uploads/2025/01/Villa_Maria_Sexual_Harassment_and_Sexual_Misconduct_Policy-Jan-2025-2.pdf. All allegations of sex discrimination, sexual harassment, sexual assault, domestic/dating violence, stalking and sexual exploitation are governed by the College's Sex Discrimination, Sexual Harassment & Sexual Misconduct Policy.

Appeal Process

- After the hearing process is concluded, a student may appeal the decision or sanctions imposed by a Hearing Officer/Conduct Board. All appeals must be in writing and submitted to the Dean of Students within two (2) calendar days of the conduct hearing. This written appeal is the sole basis for the review. The written statement should be as complete as possible and set forth the basis for changing the determination of the Conduct Hearing as described below. Except as provided below, an appeal shall be limited to a review of the record of the Conduct Hearing and supporting documents.
- Basis for Changing the Determination of the Conduct Hearing. The determination of the Conduct Hearing can be changed by the preponderance of the evidence if the student can demonstrate that:
 - The Conduct Hearing was conducted unfairly in light of the charges and evidence presented, or not according to the prescribed procedures giving the respondent student a reasonable opportunity to prepare and to present his/her defense,
 - The decision reached regarding the respondent student was not based on the evidence, i.e., the facts in the case were insufficient to establish a violation of the Student Code of Conduct, or
 - The sanction(s) imposed were inappropriate compared to the violation.
 - New facts should be considered. In order to consider new facts, those facts must be sufficient to alter a decision, not known to the student appealing at the time of the original hearing. An Appellate Body shall determine the propriety and admissibility of any new facts. If the new facts are admissible, the Appellate Body shall consider those facts and change the determination of the Conduct Hearing, as it deems appropriate.
- Review by an Appellate Body is final and may result in more severe sanction(s) for the accused student(s).
- The Appellate Body may consist of any of following College Officials: The Dean of Students, the Director of Student Life, the Director of Student Success, the Director of Human Resources, the Vice President for Enrollment Management, the Vice President for Academic Affairs or designee, the Vice President for Finance, or the Vice President for Development. The Appellate Body may not be the Hearing Officer or member of the Conduct Board in the original hearing.
- The Appellate Body shall not consist of the President of the College.
- Following an Appellate Body decision, no other College official shall review the case.

Parental Notification

- The parents of a student may be notified in the case of a health or safety emergency according to the exceptions in FERPA policy.

Disciplinary Actions

Cell Phone /Electronic Device Use During Class

- Students are allowed to have cell phones on campus. However, students may not use cell phones, digital music players, and other electronic devices during class unless designated by the faculty member. Faculty members may confiscate electronic devices or cell phones in the event of a violation of this policy, or require the student to leave for the remainder of class.

Class Attendance

- Regular attendance in classes is expected of all students; however, some College sponsored co-curricular and extra-curricular events may occasionally be scheduled during class hours. It is College policy that students who are participants in a College sponsored event are excused from a class for the specific event. Exceptions to this policy: students fulfilling clinical and student teaching requirements.
- Participants in College sponsored co-curricular and extra-curricular events:
 - Are not excused for practice.
 - Are expected to make-up all work they miss.
 - Are not penalized by the instructor for their excused absence.
 - Are expected to communicate with each faculty member before the date of the excused absence.
 - Must meet individual faculty requirements to complete work due for each missed class.
- College personnel who are responsible for the College sponsored co-curricular and extra-curricular events will inform faculty of the schedules at the beginning of each semester.
- When weather is a factor in College sponsored events, the event may result in cancellation and require rescheduling.
- It is the student's responsibility to inform the faculty of any change in the original schedule.

Online Learning Etiquette

- All expectations set for the physical classroom on campus will carry over to all online learning environments, including academic and co-curricular based.
- All students must adhere to the Student Code of Conduct in the learning environment, both in person and online.
- If you do not adhere to policies outlined in the Student Code of Conduct in the learning environment, instructors may reach out to you directly to address the behavior and set up agreed expectations while you are in the learning environment.
- If you do not meet the agreed expectations, the instructor may create a behavioral agreement for a student to sign or refer them to the student conduct process.
- Aggressive and disrespectful behavior in the learning environment will be dealt with immediately and referred to the Dean of Students.
- All students are expected to check all online platforms that the college is using on a regular basis, such as email, D2L, Microsoft Teams, etc. The college will communicate through these methods for both classes and the institution as a whole and send necessary updates to all students using any combination of the platforms.

Disabilities

- According to Section 504 of the Rehabilitation Act of 1973, if students with disabilities are qualified to attend colleges or universities that receive federal funds, they must be accepted regardless of disability. Each institution of higher education is required to develop specific guidelines to provide reasonable accommodations for persons with physical, psychological or learning disabilities in accordance with Section 504. It is the responsibility of the student to seek any necessary accommodations for their disability. It is highly recommended that the students seek services within the first week of classes.
- Students with documented disabilities who enroll at Villa Maria College have many services available to make attaining a college education possible. They may choose to utilize reasonable accommodations for free.
- All College personnel who play a role in accommodating the student must receive formal notification of the nature of both the disability and their role in providing reasonable accommodation.
- *Eligibility for Services:* A qualified college student with a disability may request academic or other support services from the Director of Student Success. Once the student is admitted to the College, the following should be followed to receive academic accommodations:
 - The student is responsible for identifying himself/herself as a person with a documented disability. Therefore, the student is required to make an “intake” appointment with the Director Student Success. This should be done within the first two weeks of the semester.
 - The student will meet with the Director of Student Success, provide the required documentation and discuss possible reasonable academic accommodations.
 - Once the student has provided appropriate documentation to the Director of Student Success for each class every semester. A faculty member is not required to

provide academic accommodations until he or she has received the accommodation letter from the student.

- Students who may need assistance with physical disabilities may contact The Director of Student Success for assistance.
- Pregnancy: If a student becomes pregnant and experiences medical conditions that limit her ability to perform any activities of her required course work, or require any accommodations for course work, including clinical internship experiences, she should notify the Director of Student Success immediately. Medical documentation of any limitations or requested accommodations may be requested.
- The College has a policy and procedure for resolving grievances related to disability accommodation. This information can be found on-line on the “Disabilities Services” webpage. Further assistance can also be obtained from the Compliance Officer, the VP for Enrollment Management. They can be reached at 716.961.1838.

Food and Beverages in Class

- Policies regarding eating and drinking any beverages in the classrooms and any consequence(s) for not adhering to them will be established and enforced by the faculty member responsible for each class. At all times, conscious efforts should be made by all to maintain a clean environment, which displays a respect for the rights of others and the conditions of College facilities.

Accusations of Plagiarism or Other Forms of Academic Dishonesty

- Plagiarism is offering work of another as one’s own. Plagiarism is a serious offense and may include, but is not limited to, the following:
 - Complete or partial copying directly from a written publication or unpublished source in any form of media without proper acknowledgment to the author. Making minor changes in wording or syntax—without acknowledgment to the author—is not sufficient to avoid plagiarism charges.
 - Paraphrasing the work of another without proper author acknowledgment.
 - Submitting as one’s own original work (however freely given or purchased), the original exam, research paper, manuscript, report, computer file, Internet information, or other assignment that has been prepared by another individual.
- The usual penalty for academic dishonesty is failure on the assignment for the first offense. All incidents of plagiarism are reported to the Vice President for Academic and Student Affairs, and a letter citing the incident is included in the student’s official file. Should a second incident of plagiarism occur during the student’s pursuit of a degree, s/he will earn an “F” in that course, and a letter regarding the incident will be entered into the student’s official file. Upon graduation, all relevant letters in the student’s file will be destroyed. Should a third incident of plagiarism occur, the student will be dismissed from the College; her/his readmission is unlikely.

- In all cases of alleged academic dishonesty (such as plagiarism, cheating, claiming work not done by the student, or lying) where a faculty member observes or discovers the dishonesty, the faculty member may choose to confront the student and handle the matter between the faculty member and the student, or the faculty member may choose to refer the incident to the appropriate department/division chairperson. If the appropriate department/division chairperson is the instructor in question, the concern should be directed to the Vice President for Academic and Student Affairs. If the faculty member chooses to confront the situation alone with the student and the matter is satisfactorily resolved, the faculty member and the student should submit a joint statement of the details to the Vice President for Academic and Student Affairs, which will be included in the student's file. If the situation is not satisfactorily resolved between the faculty member and the student, the matter may then be referred or appealed to the appropriate department/division chairperson.
 - In either case, the appropriate department/division chairperson may choose to 1) resolve the matter through a meeting with both the student and the faculty member, or 2) refer the matter to the Vice President for Academic and Student Affairs. The findings, in either case, are final.
- If alleged academic dishonesty is reported to a faculty member by a third party, then the faculty member will meet with the appropriate department/division chairperson to determine whether the evidence warrants an investigation, and how the investigation will be handled. It may also be decided that the faculty member will either confront the student or, assuming enough evidence is present to warrant action, turn the matter over to the appropriate department/division chairperson to either resolve or organize a hearing.

Leave of Absence and Withdrawal Policies

Introduction

- Students who desire to leave Villa Maria College for a period of time, with the intention of returning, should go through the Leave of Absence process. Students who wish to leave and do not intend to finish their studies at Villa Maria College must officially notify the college by going through the Withdrawal Process found in the College Catalogue.
 - Students planning to withdraw from Villa Maria College are requested to contact the Registrar at 961-1806. Following an interview with the Registrar, the student completes a withdrawal form.
- The college reserves the right to place a student on an involuntary withdrawal for non-disciplinary reasons when it concludes that a leave is in the best interest of the student due to personal or health related conditions that apparently have not or cannot be resolved in an immediate fashion, or if it deems such a leave necessary due to a threat to the student's or others students' health or safety. The student may register again upon satisfaction of such terms as the college determines are appropriate to the situation in accordance with this policy. The College will not assume the cost of any evaluations or treatment requested of students.

Medical Leave of Absence

- A Medical Leave of Absence is given for an entire semester.
- Any student (full or part-time) in good standing who must temporarily leave the College for medical or psychological reasons may request a Medical Leave of Absence.
- A student who desires a Medical Leave of Absence must submit a letter of request to the Dean of Students. The Director will then in turn set the parameters necessary to grant the request for the Leave of Absence. If the student meets the parameters set forth, the Director will approve the Leave of Absence in writing to the student.
- A health care provider's statement, on official letterhead, is required prior to the consideration of the leave and again at the conclusion of the leave.
- For students who have federal financial aid: a leave of absence should not exceed 180 days in any 12-month period of time. Instructions concerning financial aid (institutional and Federal) will be given to the student at the beginning of the leave.

Returning to Villa Maria College

- A student who desires to return to Villa Maria College after an official Leave of Absence may do so by indicating such a desire to the Dean of Students in writing.
- If the student has met the criteria of a Leave of Absence the Director can reinstate the student and allow registering for the next semester.
- If the student has not met the criteria for the return from the Leave of Absence the Director can deny reenrollment.

Appeals

- If denied the Medical Leave of Absence, a student may appeal in writing the Dean of Students. Appeals will be heard by the Dean of Students and the VP for Academic Affairs

Disciplinary Leave of Absence

Standards for Withdrawal

- A student may be subject to Disciplinary Leave of Absence from the College, if the College has determined that the student:
 - Engages, or threatens to engage, in behavior which poses a danger of causing physical harm to self or others, and/or
 - Engages, or threatens to engage, in behavior which would cause significant property damage, which directly and substantially impedes the lawful activities of other members of the College, and/or
 - Commits a violation of the College's Code of Student Conduct and lacks the capacity to comprehend and participate in the conduct process, and/or
 - Commits a violation of the College's Code of Student Conduct and did not understand the nature or wrongfulness of the conduct at the time of the offense.

Referral for Evaluation

- The Dean of Students, or designee, may refer a student to an off-campus health care provider (if medical related) or to the Director of the Care Center (if mental health related) for evaluation, if there is reasonable belief that the student meets the previously noted criteria for involuntary withdrawal.

- The Director shall set the conditions for evaluation and re-entry to the College (such as time frame and reporting requirements). A student who fails to meet the conditions for evaluation may be withdrawn on an interim basis or be subject to a student conduct hearing, if applicable, without the requested evaluation.
- A student who is involuntarily withdrawn during the student conduct process shall remain in such a state until a Hearing can be held. The Hearing shall be held within a reasonable amount of time.
- In certain instances, the College may offer a student who faces disciplinary action, or who is subject to a disciplinary leave of absence or involuntary withdrawal, or other circumstances, which the college deems appropriate an option to voluntarily withdraw from the College. In such situations, students will follow the normal Withdrawal procedure.

Procedure

- This policy may be enacted by the Dean of Students, or designee when:
 - Any member of the College community who reasonably believes that a student may meet one of the involuntary withdrawal standards above contacts the Dean of Students with his/her concerns about the student.

Appeal Process

- A student may appeal the Disciplinary Leave of Absence in writing to the Dean of Students within seven (7) days.

Returning to Villa Maria College

- A student who desires to return to Villa Maria College after a Disciplinary Leave of Absence may do so by indicating such a desire to the Dean of Students in writing.
- The Dean of Students will determine the criteria for returning to Villa Maria College. If the student has met the criteria for returning the Director can reinstate the student or allow him or her to register for the next semester.
- If the student has not met the criteria for the return from the Leave of Absence, the Dean of Students can deny re-enrollment.

Refunds

- Refunds, if applicable, may be considered in accordance with applicable College policies and procedures found in the College catalogue.

Deviations from Established Procedures by Villa Maria College

- Reasonable deviations from these procedures will not invalidate a decision or proceeding unless significant prejudice to the student may result.

Voluntary Withdrawal

- Students may withdraw from Villa Maria College at any time for any reason. However, a student may drop a course and add another only during the “drop/add” period (typically the first week of classes. A student may drop a course after the first week of classes and up until the 10th week of classes with the designation of “W” with permission of the office of the Registrar. Different guidelines may exist for students in the on-line program, please consult those applicable policies for more information. Students who wish to withdraw from Villa Maria College must meet with the Registrar to initiate the withdrawal process.

- Any student who drops below full-time status may face eligibility issues for financial aid and participation in some college activities.
- Students who withdraw from the College are subject to the refund policy established in the “refund” section of this catalogue and all other applicable financial policy.
- Students who voluntarily withdraw must follow the admission and re-admission standards in place at the time of re-enrollment.

Involuntary Withdrawal Policy

Introduction

- Villa Maria College is committed to protecting its community members from risk of physical harm and preserving the integrity of its learning environment. Separation of a student from the College and its facilities may be necessary if there is sufficient evidence that the student is engaging in, or is likely to engage in, behavior that either poses a danger or disrupts the learning environment of others. This policy sets forth the expectations in making determinations regarding a student’s involuntary withdrawal and conditions for return.
- This policy and related procedures do not take the place of any disciplinary actions that are in response to a violation of the Code of Conduct.
- This policy is meant to be invoked in cases where students experience needs that exceed the College’s services or resources. In such circumstances, the student will be advised to consider a voluntary withdrawal. If the student declines to voluntarily withdraw from the College, the College may involuntarily withdraw the student in situations where: (1) the student is unable or unwilling to carry out substantial self-care obligations; (2) the student has health needs requiring a level of care that exceeds what the College can appropriately provide; (3) the student presents a substantial risk of seriously affecting the health or well-being of any student or other member of the College community; (4) safety is seriously threatened by the student; (5) the student consumes an inordinate amount of College staff time and/or resources, or his/her situation cannot be resolved by the College in a reasonable amount of time or with reasonable effort; or (6) the student creates any other conditions disruptive to the College community.
- In these rare cases the CARE Team, coordinated by the Director of the Care Center, will oversee the assessment of the student. An individualized assessment of the student will be conducted and tailored reenrollment conditions will be established (if any reenrollment is contemplated and appropriate), consistent with the overarching principles in Section A of this policy. The CARE Team will make a determination regarding withdrawal. The Director of the Care Center will provide written notice to the student of the decision. A student may appeal these decisions in writing to the Dean of Students.

Determination

- Any withdrawal determinations should be based on an assessment of current, available documentation, including medical if needed, or any information provided about the student, and/or observable conduct that affects the health, safety, or welfare of the campus community. Any assessments of risks should be individualized and conducted in a team environment. In the absence of an emergency or direct threat, voluntary withdrawal or

restrictions shall be encouraged prior to any determination of involuntary withdrawal. Any imposed conditions, including reenrollment conditions (if any), should be reasonable and individualized for a particular student's situation. Any conduct code or other policies relevant to a withdrawal shall be applied equally to all similarly-situated students, i.e., without regard to known or perceived medical or mental health conditions and without regard to any protected class status under applicable local, state or federal law, or regulation.

Procedural / Timing Principles

- Students shall be provided notice of any withdrawal determinations and shall be afforded the opportunity to appeal such determinations.
- Withdrawal determinations should proceed as quickly as possible to allow a student experiencing difficulties to receive the support he or she needs.

Re-enrollment following an involuntary withdrawal

- Students wishing to reenroll following an involuntary withdrawal must satisfy the reenrollment conditions, if any, established at the time of the withdrawal. If medical documentation was established as a condition for reenrollment, the College will give significant weight to the opinion of the student's treatment providers regarding the student's readiness to return to the academic environment at the College, with or without accommodations. In extraordinary circumstances, the College may require the student to undergo an additional individualized assessment to make a determination regarding the student's readiness for return. The College may also impose ongoing conditions on the student as part of his or her return, based on the particular student's individual situation.
- If the College denies a student's request to reenroll, the College may include recommendations that will enhance the student's ability to successfully reenroll in the future. However, certain situations of involuntary withdrawal may not be appropriate for reenrollment under any conditions.
- A student may appeal any decision concerning reenrollment to the Dean of Students within seven (7) days.

Deviations from established procedures

- Reasonable deviations from this procedure will not invalidate a decision or proceeding unless significant prejudice to a student occurs.

Military Leave of Absence

- Villa Maria College supports students who are members of the United States armed forces and reserve units. An undergraduate or graduate student who is a member of the U.S. military, National Guard or other armed forces reserve unit who is called or ordered to active duty elsewhere may be granted a Leave of Absence from the College for the period of active duty and up to one year after returning from active duty.

Withdrawal from College Procedure

- Any student wishing to withdraw from the College needs to see the Registrar to begin the proper procedure. Financial aid and/or academic transcripts will be held if proper withdrawal paperwork has not been completed and balances have not been paid.
- Students needing to withdraw from a class or from the College must note that failure to attend the first class or subsequent class meetings does not constitute official withdrawal. To be official, notification of withdrawal must be made in writing. Any tuition refund is based on the date the office receives the official written notice of withdrawal. A student may withdraw without penalty prior to the first meeting of the course. Please refer to the College's refund policies provided on-line and in the Catalogue.

Technology Policies

- All currently registered part-time and full-time students are eligible to obtain a network and e-mail account. User accounts will be activated only after the student signs the "Student Account Agreement" form. These forms are provided to students at registration, orientation, and are available in the Library, in the Open Computer Labs, and from Computer Services. Signing this form indicates that the student agrees to adhere to the Student Acceptable User Policy and the College's Using Software Guide which are posted and are available in the Open Computer Labs and the Library. The following policies will be strictly enforced:
 - All users of computers must have a valid Villa ID and be able to present this on request.
 - No foods or liquids are allowed in the computer classrooms or laboratories.
 - No children are allowed in any of the computer facilities. Room access is restricted to persons actively registered for the semester, current employees, or alumni meeting fee requirements.
 - Misuses of equipment or the computer facilities; intentional damage to equipment, facilities, or software; the alteration of other user accounts; intentional alteration of the hard drive; accessing inappropriate web sites, soliciting, or using the web for non-academic purposes will result in denial of lab privileges and possible disciplinary dismissal from Villa Maria College.
 - Loud talking and boisterous behavior are not allowed in the computer classrooms or laboratories out of respect to other users.
 - No cell phones are allowed in the computer classrooms or laboratories.

Prohibited Use of IT Resources

- It is a violation of this policy to: Intentionally and without authorization, access, modify, damage, destroy, copy, disclose, or take possession of all or part of any computer, computer system, network, software, data file, program, or database. This includes, but is not limited to:
 - Gaining access by willfully exceeding the limits of authorization.
 - Attempting to gain unauthorized access through fraudulent means.

- Gaining access by using another person’s name, password, access codes, or personal identification.

Faculty, staff and students are expected to check and manage their email account on a regular basis in order to stay current with college-related communications. The College also retains the right to send correspondence via traditional methods.

Peer to Peer Sharing

- Peer-to-Peer sharing degrades network performance, opens up the network to viruses, and could result in a legal liability as a result of the unauthorized use of copyrighted material. P2P applications should not be used on campus computers or computers connected to the College network. Misuse could result in disciplinary action, loss of computing privileges, and criminal and/or civil penalties.

- Building security is everyone's responsibility. Students should carry their keys, close doors, report suspicious persons, and not give access to unescorted guests. Propping outside doors is a security risk to all students, and is not permitted.

Bicycles

- Bicycles are not permitted inside campus property. There are no storage facilities available for bikes in campus buildings. Therefore, bikes must be stored outside.

- All students must have an identification card issued by the College. Faculty and other employees are also welcome to come to the front desk of Felician Hall for an ID. Students are issued ID cards at Orientation and during the first week of classes in Felician Hall during extended hours. Later in the semester, please call 961-1877 to ensure that someone is available to take photos for the ID cards.
- The card permits students to participate in all College and student-sponsored activities, to use computers in open labs, and to withdraw materials from the Villa Maria College Library. It is necessary to present an ID card to the Business Office personnel when transacting

financial affairs, in the Villa Maria College Bookstore when making purchases on a book loan, and in the Student Center when using facilities. The card also serves as proof of campus status and must be presented when requested by College personnel and/or security guard.

Students who are working with guests on academic or service related projects must obtain the proper prior approval from their faculty member or administrator who will inform the Business Office of the activity.

Bringing Children to Class and Campus

- Villa Maria College appreciates all of the family dynamics that students bring with them while enrolled at the college. While Villa Maria College seeks to focus on providing an environment open to family issues, it also takes the position that children should not be brought into offices, classrooms and other instructional and student support areas in lieu of having a regular childcare provider.

Extenuating circumstances may come up where a student might need to bring a child with them to campus. In this instance, it is expected that the student would reach out to their instructors for the day and gain permission for the child to come to class. Under no circumstances should the student find other students to watch the child for them while they are in class. While in the class, the expectation is that the child would remain under direct supervision of the student. If the child were to begin to disrupt the learning environment, the instructor will ask the student and the child to leave the classroom.

Appropriately supervised children are welcome on campus to attend specified cultural or sporting events.

Emergency Situations

- The College reserves the right to immediately remove a person(s) from campus if College officials determine that the actions of any person(s) are a threat to a member or members of the campus community.

 - In such circumstances, once the emergency situation has been mitigated, normal policy for removal of students from campus will resume.

- Villa Maria College will not cancel classes except when there are severe weather conditions in Cheektowaga and/or Buffalo. The College recognizes, however, that many students commute from a wide geographical area and the road conditions may vary greatly. Common sense and good judgment should guide students as to whether they can safely get to their classes. Students are strongly advised to inform faculty members of absence due to weather during the day or during the evening/weekend hours, respectively.

Campus Publications

- The College recognizes that student publications can be a valuable aid in establishing and maintaining an atmosphere of free and responsible discussion and of intellectual exploration of the campus. They can be a means of bringing student concerns to the attention of the College community and of formulating student opinion. All student publications shall be published in accordance with guidelines established by the policies and procedures set forth by the governing documents of each particular publication. These guidelines shall adapt generally accepted journalistic standards to the College setting.
- Student publications shall be generally free of censorship, and their editors and managers shall be free to develop their own editorial policies and news coverage.
- This sense of free expression shall recognize the religious character of the College and shall be sensitive to that character.

- This editorial freedom entails a corollary obligation to honor those generally accepted journalistic standards as interpreted by the College, including but not limited to, the avoidance of libel, indecency, undocumented allegations, attacks on personal integrity, techniques of harassment and innuendo, and to follow all applicable regulations of the Federal Communications Commission. Editorial policy is to be consistent with the provisions of the Student Code of Conduct.
- Editors and managers of student publications shall not be arbitrarily suspended or removed from office because of student, faculty, administrative, alumni or public disapproval of editorial policy or content. Such sanctions shall normally be imposed only as a part of established College Conduct System for students; provided, however, that nothing herein shall be construed to limit the authority of the College in dealing with wrong-doing or breaches of accepted journalistic ethics or standards by any student editor, reporter or publications manager or staff person.
- All student communications shall explicitly state on the editorial page that the opinions expressed are not necessarily those of the College community.
- A College student, recognized group, or organization may only distribute printed material on campus with prior approval of that individual's group or organization's governing body providing such distribution does not disrupt the operation of the College and conforms to Mission of the College and regulations.
- Posting or distribution of printed materials in or on College buildings shall be in accordance with the Mission of the College and the College's Posting Policy.

Faculty members teaching courses requiring a specialized form of dress may designate other dress for their classes and/or for special class projects. Appropriate and presentable attire is part of the College's on-going efforts to educate for personal responsibility and promotion of civility. Sunbathing on campus property is generally not permitted.

Fire Safety/Fire Alarms/ Fire Safety Equipment

- Fire safety is everyone’s responsibility. All fire alarms should be considered true indications of danger and the building must be evacuated as safely and quickly as possible.
- For specific fire procedures see the Emergency Procedures of the College.
- While staff will attempt to alert students to leave buildings, it is incumbent upon each person to take personal responsibility to exit buildings when there is a fire alarm sounding. Staff will indicate when people may safely return inside.
- Additionally, fire drills are conducted in each building each semester. Failing to evacuate the building during an alarm may result in disciplinary action.
- Causing a building to go into alarm falsely can carry grave consequences. Students may panic or may ignore the alarm believing it to be false. This may in turn cause students to become injured, overcome by smoke, or to lose their lives. Therefore, the College takes the actions of tampering with fire alarms, smoke detectors, sprinklers, and fire extinguishers very seriously.
- The following will be considered as sufficient cause for immediate disciplinary action and may result in dismissal from the College or criminal prosecution:
 - Intentionally or carelessly setting a fire of any nature.
 - Pulling a fire alarm.
 - Tampering with smoke detectors or sprinkler systems resulting in triggering the alarm system.
 - Misuse of fire extinguishers.
 - Setting off firecrackers or similar incendiary devices.
 - Tampering with the protective hood on fire alarm pull stations.
 - Using candles.
 - Removing batteries or tampering with a room smoke detector.
 - Vandalizing exit signs.
- All students and College personnel must evacuate the building where and when the fire alarm has sounded. Faculty members in classrooms and administrators in all buildings are to enforce the following regulations when the fire alarm sounds:
 - Close all doors and windows.
 - Evacuate all areas.
 - Identify any disabled person needing assistance; arrange for necessary aid in evacuation.
 - Follow directional signs to fire exits; use stairs, do not use elevators.
 - Move away from the building and down the sidewalk or to a designated safety area.
- Fire drills are mandatory and held during each semester.
- All people occupying the building(s) must evacuate immediately at the sound of the fire alarm.
- Unauthorized use of fire extinguishers, intentionally pulling a fire alarm or tampering with any other designated fire safety equipment is subject to disciplinary action and/or possible criminal action.

- A student who wishes to ask the College to amend a record should write the College official responsible for the record, clearly identify the part of the record that the student wants changed, and specify why it should be changed.
- If the College decides not to amend the record as requested, the College will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

- Under one such exception, the College discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted as its agent to provide a service instead of using College employees or officials (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.
- A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the College.
- Upon request, the College also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.
- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA. Tobacco-Free Policy

Purpose

- Villa Maria College recognizes the overwhelming scientific evidence assembled by the U.S. Surgeon General, Centers for Disease Control, Environmental Protection Agency, and World Health Organization, which demonstrates that tobacco is a profound agent of deadly diseases, responsible for millions of deaths worldwide each year, both to tobacco users and non-users. Studies have indicated that exposure to second hand smoke is a significant risk for everyone. All forms of tobacco are now known to be harmful and highly addictive. Villa Maria College cares deeply about the health of the College Community and our neighbors. As an employer and an institution of higher education, the College is committed to providing a safe working and educational environment. Tobacco use is inconsistent with our traditional Felician Franciscan values and culture of wellness.

Policy

- Villa Maria College became a 100% tobacco-free campus on August 1, 2013.
 - All tobacco product use is prohibited everywhere within the perimeter of all Villa Maria property, indoors and outdoors, as well as in College-owned vehicles and in any vehicle on Villa property.
 - Tobacco product use is discouraged at all College sponsored events including off-campus events.
 - Tobacco product sales are prohibited everywhere on the College campus.
 - The College will not accept advertising, marketing, distribution, or promotion of tobacco products.
 - All grants and gifts to the College and all solicitations and proposals for such funds must have the approval of the College and must conform to the College's mission statement, culture of wellness, College policies, and applicable laws and regulations. In addition, Villa Maria College will not invest in any direct tobacco company holdings.
 - This policy also includes cannabis/marijuana and prohibits the use, possession or distribution of cannabis/ marijuana on the college campus.

Compliance

- In keeping with the mission of Villa Maria College, this policy is driven by respect for others and the environment and relies on the thoughtfulness, consideration, and cooperation of tobacco users and non-users for its success. Enforcement of this policy will depend on the cooperation of all members of the Villa Maria College Community, both to comply and encourage others to do so. It is the responsibility of all members in the College Community to observe this tobacco policy.

- Villa Maria will inform members of the College Community about the tobacco policy by widely disseminating information about the policy on a regular basis. The tobacco policy will be clearly posted in employee and student handbooks, on the campus website and as part of other publications.
- The policy will be shared with parents, alumni, and visitors through media, campus announcements, the website, and other means. Key components of the policy will be posted on signage around campus (e.g. Tobacco use is not allowed on campus grounds.) Public announcements will address the policy at events on campus
- Policy non-compliance will prompt an initial educational response, which will include information regarding the existence of the policy, the rationale for the policy, and the availability of cessation support services. Repeated non-compliance will be referred to the appropriate campus student conduct or employee supervisory system for resolution. Employees and students will be treated respectfully in the consistent observance of the policy.
- At times, the establishment of boundaries has resulted in displacing tobacco users onto the surrounding community grounds. In the event that this does happen, Villa Maria College will reach out to ameliorate the situation in support of its neighbors.

Introduction

Villa Maria College is committed to providing a learning, working and living environment that promotes personal integrity, civility and mutual respect in an environment free of discrimination on the basis of sex, which includes sexual harassment, sexual assault, dating violence, domestic violence, stalking and others forms of sexual misconduct. Sex discrimination violates an individual's fundamental rights and personal dignity. Villa Maria College strictly prohibits sex discrimination, sexual harassment and other forms of sexual misconduct addressed in this policy. Some of the conduct prohibited by this policy is unlawful, and all of the prohibited conduct is antithetical to the mission of the College.

As a recipient of federal funds, Villa Maria College is required to comply with Title IX of the Education Amendments of 1972, 20 U.S.C. & 1681 et seq., which prohibits discrimination and harassment on the basis of sex in education programs or activities. Pursuant to Title IX and the Violence Against Women Act ("VAWA") and New York Education Law Section 129-B,1 the College also prohibits sexual assault, domestic/dating violence and stalking where it impacts or has the potential to impact the educational or employment environment of a College community member.

This policy provides information about resources and supportive measures available to members of the Villa Mara College community experiencing discrimination or harassment based on sex, including sexual assault, dating violence, domestic violence and stalking. This policy also provides procedures for the investigation and adjudication of allegations of sex discrimination, sexual harassment and other forms of sexual misconduct. Villa Maria College will take reasonable and appropriate remedial action to prevent sex discrimination and harassment and other forms of sexual misconduct, prevent its recurrence, and correct its discriminatory effects on the complainant and others within our campus community.

Individuals have the right to make a report to Campus Security, local law enforcement, and/or state police or choose not to report; to report the incident to Maria Villa College; to be protected by the College from retaliation for reporting an incident; and to receive assistance and resources from Maria Villa College. A Students' Bill of Rights for cases involving sexual assault, domestic violence, dating violence, or stalking is attached at the end of this policy.

Non-Discrimination Statement:

Villa Maria College does not discriminate on the basis of age, race, religion, creed, color, national or ethnic origin, gender, disability, sex, sexual orientation, domestic violence victim status, marital status, veteran status, military status, predisposed genetic carrier status and any other characteristics or protected status recognized by applicable federal, state or local law. This policy applies to admissions, all terms and conditions of employment, and any other aspect regarding the conduct of College programs and activities Villa Maria College is an Equal Opportunity Employer.

Scope of the Policy

This policy applies to all Villa Marie College students, faculty, and employees, and applies regardless of an individual's sex, race, color, religion, age, national origin, disability, sexual orientation, gender identity/gender expression, familial status, pregnancy, military status, criminal conviction, predisposing genetic characteristics, domestic violence victim status, or other protected status. Under NY state law, employees (including unpaid interns and trainees), students, and non-employees (including independent contractors) and those employed by companies contracting to provide services to the College are protected against sexual harassment, regardless of immigration status.

This policy applies to conduct that takes place on College property and in connection with any program or activity sponsored by the College, regardless of where it occurs. Additionally, off-campus conduct may violate this policy if the conduct creates a threatening or uncomfortable environment on the College campus or within a Villa Marie program or activity, or if the incident causes concern for the safety or security of the College campus community.

Non-community members (e.g., alumni, family or friends of students, vendors, etc.) visiting campus, participating in a program or activity or interacting with College community members are expected to abide by the behavioral expectations in this policy. A complaint against a non-community member (e.g., a visitor to campus, an alum, a vendor or contract employees) will be investigated but no formal policy or procedure applies. The College may opt to ban the non-community member from College property or take other appropriate responsive measures.

Policy and Procedure Summary

This Policy prohibits all forms of sex and gender related misconduct, referred to here as "Sexual misconduct". A person who has experienced Sexual misconduct has several options:

- **A report to a Confidential Resource.** A confidential resource provides emotional and/or medical services and maintains confidentiality. A report to a confidential resource does not result in a College investigation or any other action to respond to the incident.
- **A report to a Responsible Employee.** Certain personnel at the College have the responsibility to receive reports of sexual misconduct and to take action based on those reports. A responsible employee will forward the information about the incident to the Title IX Coordinator. The Title IX Coordinator will discuss options with the reporting person. The assistance the Title IX Coordinator can facilitate includes the following:
 - **Supportive Measures.** Supportive measures are intended to support the individual who experienced sexual misconduct to continue in their involvement in the College's program and activities. Supportive measures include no

contact orders; academic accommodations; changes in housing assignment; or other academic, residential or work accommodations.

- **Informal Resolution.** An informal resolution is a resolution that the parties (i.e., the person making the allegations and the accused person) agree upon to address the situation. Not all incidents are appropriate for informal resolution, and no party may be forced to accept an informal resolution. This is a voluntary process.
- **Grievance Process.** A grievance process includes an investigation and adjudication process. The outcome of a grievance process is either that the person accused of Sexual Misconduct is found either responsible or not responsible for having committed a violation of this Policy. A violation results in appropriate sanctions and other remedies to address the violation.

Additionally, the person who experienced a crime has the option to pursue criminal charges:

- **A report to Law Enforcement.** If an incident involves criminal conduct, the victim may make a complaint to law enforcement.

The options for reporting above are not mutually exclusive, and an individual may pursue one option but not the other. An individual may obtain the services of a confidential resource and decide at that time or a later time to report to the College. An individual may report to the College and also make a report to law enforcement, or may make a report to only the College or only to law enforcement. A person seeking to understand their options pursuant to this Policy should reach out to any of the following: Title IX Coordinator, DJ Schier at dschier@villa.edu or Deputy Title IX Coordinator, Brian Emerson at bemerson@villa.edu.

Definitions, General:

1. **Advisor of Choice.** An advisor of choice is a person selected by the Complainant or Respondent to advise and accompany the Complainant or Respondent throughout the investigation and adjudication process. An advisor of choice may be any person, including an attorney. The institution does not appoint or pay for an advisor of choice. An advisor of choice's role is limited to the functions further described in this policy.
2. **Affirmative Consent.** Affirmative consent is a knowing, voluntary, and mutual decision among all participants to engage in sexual activity. Consent can be given by words or actions, as long as those words or actions create clear permission regarding willingness to engage in the sexual activity. Silence or lack of resistance, in and of itself, does not demonstrate consent. The definition of affirmative consent does not vary based upon a participant's sex, sexual orientation, gender identity, or gender expression.
3. **Coercion.** Coercion is a threat, undue pressure, or intimidation to engage in sexual activity. Coercion is more than an effort to persuade, seduce,

entice, or attract another person to engage in sexual activity. A person's words or conduct are sufficient to constitute coercion if they deprive another individual of the ability to freely choose whether or not to engage in sexual activity.

4. **Complainant.** The term Complainant refers to the person who allegedly experienced the sexual misconduct in violation of the policy whether or not a formal complaint is filed. In some cases, the Title IX Coordinator may file a formal complaint and thereby initiate an investigation and adjudication process pursuant to this policy. In that instance, the Title IX Coordinator is not the "Complainant"; the complainant remains the person who allegedly experienced the sexual misconduct.
5. **Consent.** As used in this policy, term "consent" always refers to "affirmative consent" (defined above).

By way of further explanation, consent is free and informed permission. Consent given verbally is evidenced by affirmative agreement to engage in specific sexual activity. Consent through action is active participation in the specific sexual activity. Past consent to sexual activity cannot be presumed to be consent to engage in the same sexual activity in the future. Consent can be withdrawn at any time, and, if so, the sexual activity must cease. Consent to some sexual activity (e.g., kissing, fondling) cannot be presumed consent for other sexual activity (e.g., intercourse). Consent to engage in sexual activity with one person does not constitute consent to engage in sexual activity with another.

Certain conditions prevent a person from being able to consent. Consent cannot be given when a person is incapacitated, which occurs when an individual lacks the ability to knowingly choose to participate in sexual activity. A person cannot consent if they are unaware of the who, what, when and how of a sexual interaction. Incapacitation may be caused by the lack of consciousness or being asleep, being involuntarily restrained, or if an individual otherwise cannot consent. Depending on the degree of intoxication, someone who is under the influence of alcohol or drugs or other intoxicants may be incapacitated and therefore unable to consent.

A person who has been drinking or using drugs is still responsible for ensuring that the person has the other person's affirmative consent and/or appreciating the other person's incapacity to consent. This means that, even if the accused was drunk or high and, as a result, did not realize that the other person was not consenting to or was unable to consent to sexual activity, the person who committed the non-consensual act is still responsible for having violated this policy.

Consent cannot be given when it is the result of any coercion, intimidation, force or threat of harm.

6. **Formal Complaint.** A formal complaint refers to a written complaint filed in accordance with the grievance process below. A formal complaint is necessary to initiate an investigation and adjudication process.
7. **Institution Advisor.** A Complainant or Respondent who does not opt to be accompanied by an advisor of choice at a hearing is entitled to be appointed an advisor by the College at no charge to the party. This advisor is referred to an “institution advisor” who may be but need not be an attorney. The Institution Advisor is selected by the College and may be a person internal or external to the College. An institution advisor’s role is limited to asking cross-examination questions of the other party during a hearing. An institution advisor does not represent a party in any legal sense. The party is responsible for formulating the cross-examination questions the institution advisor will pose during the hearing.
8. **Reporting Party.** The term Reporting Party refers to the person who made the report. This may or may not be the same as the Complainant, a witness, or a bystander.
9. **Respondent.** The term Respondent refers to the person alleged to have committed a violation of this policy.
10. **Sexual Misconduct.** Sexual misconduct is an umbrella term used in this policy to more conveniently refer to any form of conduct prohibited by this policy.

Definitions, Conduct Violations:

This policy sets forth conduct expectations for our community and provides a process for the reporting, investigation and adjudication of alleged violations. This policy applies to alleged conduct violative of Title IX of the Education Amendments of 1972 (i.e., “Title IX Category” violations) and also applies to a broader range of contexts and behaviors inconsistent with the College’s commitment to equal opportunity (i.e., “College Category” violations).

The designation of conduct or allegations as either “Title IX Category” or “College Category” is not a function of the seriousness of the alleged conduct but rather a function of the scope and coverage of Title IX versus the College’s broader jurisdiction to prohibit and discipline a larger scope of inappropriate behavior.

A. Title IX Category Violations

Title IX of the Education Amendments of 1972 provides: “No person in the United States shall, on the basis of sex, be excluded from participation, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.” “On the basis of sex” includes sex, gender, sexual orientation, gender identity and transgender status.

In accordance with Title IX as interpreted by the Department of Education, the College recognizes the following as conduct violations within the meaning of Title IX, provided that the context and circumstances of the conduct fall within the scope of Title IX, including but not limited to that the complainant was in the United States at the time of the alleged conduct, that the complainant be participating in or seeking to participate in the College's education program or activity at the time of the complaint, and that the conduct have occurred in the context of the College's education program or activity:

1. **Sexual harassment.** "Sexual harassment" means conduct on the basis of sex that satisfies one or more of the following:
 - a. An employee of the College conditioning the provision of an aid, benefit, or service of the College on an individual's participation in unwelcome sexual conduct (commonly referred to as a "quid pro quo");
 - b. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the College's education program or activity (commonly referred to as a sexually or gender-based "hostile environment").

2. **Sexual assault.** "Sexual assault" is a sexual act directed against another person, without consent of the victim, including instances where the victim is incapable of giving consent. Sexual assault consists of the following specific acts:
 - a. Rape. The penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim. This offense includes the rape of both males and females.
 - b. Nonconsensual Sexual Contact. The touching of the private body parts (including the genital area, anus, groin, buttocks and breast), whether the contact is over or under clothing, of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.
 - c. Incest. Non-forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
 - d. Statutory Rape. Non-forcible sexual intercourse with a person who is under the statutory age of consent. The statutory age of consent in New York is 17.

3. **Dating violence.** “Dating violence” means violence committed by a person on the basis of sex: (1) who is or has been in a social relationship of a romantic or intimate nature with the victim; and (2) where the existence of such a relationship shall be determined based on a consideration of the following factors: (i) The length of the relationship. (ii) The type of relationship. (iii) The frequency of interaction between the persons involved in the relationship.
4. **Domestic violence.** “Domestic violence” means violence on the basis of sex committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction where the College is located, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.
5. **Stalking.** “Stalking” is engaging in a course of conduct on the basis of sex directed at a specific person that would cause a reasonable person to: (1) fear for his or her safety or the safety of others; or (2) suffer substantial emotional distress. Stalking that does not occur on the basis of sex may be addressed under as a College Category Violation as described below.

B. College Category Violations

The College prohibits the following behavior. For purpose of College Category violations, the below conduct is prohibited even if the conduct occurs off-campus, outside the United States, the Complainant is not participating or seeking to participate in the College’s education program or activity, or otherwise in circumstances over which the College does not have influence or control, including but not limited to during College academic breaks. The College retains discretion to not respond to, investigate or adjudicate circumstances in which no College interest is implicated.

1. **Sex Discrimination.** Sex discrimination is an act that disadvantages a person and that occurs because of the affected individual’s sex, gender, self-identified or perceived sex, sexual orientation, gender identity, or gender expression, gender-stereotyping or the status of being transgender. Examples of sex discrimination include, but are not limited to, denying a student a research opportunity because of the student’s gender; giving a student a lower grade than they deserved because of the student’s gender; denying an employee a raise because of the employee’s sex. A person who believes that they have been discriminated against based on sex with respect to an academic or employment decision is generally entitled to bring a complaint pursuant

to this policy in addition to any other College process or procedure that may be available (such as a grade appeal policy or appeal procedures for work performance or promotion).

2. **Sexual harassment.** “Sexual harassment” means unwelcome, offensive conduct that occurs on the basis of sex, sexual orientation, self-identified or perceived sex, gender, gender expression, gender identity, gender-stereotyping or the status of being transgender, but that does not constitute sexual harassment as a Title IX Category Violation as defined above. Sexual harassment can be verbal, written, visual, electronic or physical.

The fact that a person was personally offended by a statement or incident does not alone constitute a violation. Instead, the determination is based on a “reasonable person” standard and takes into account the totality of the circumstances. The College considers the context of a communication or incident, the relationship of the individuals involved in the communication or incident, whether an incident was an isolated incident or part of a broader pattern or course of offensive conduct, the seriousness of the incident, the intent of the individual who engaged in the allegedly offensive conduct, and its effect or impact on the individual and the learning or working community.

3. **Sexual assault.** “Sexual assault” is a sexual act directed against another person, without consent of the victim, including instances where the victim is incapable of giving consent. but that does not constitute sexual assault as a Title IX Category Violation as defined above because of the context in which it occurs (for example because the complainant was not in the United States at the time of the alleged conduct, because the complainant was not participating in or seeking to participate in the College’s education program or activity at the time of the complaint, or because the conduct did not occur in the context of the College’s education program or activity). Sexual assault consists of the following specific acts:
 - a. **Rape.** The penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim. This offense includes the rape of both males and females.
 - b. **Nonconsensual Sexual Contact.** The touching of the private body parts (including the genital area, anus, groin, buttocks and breast), whether the contact is over or under clothing, of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.

- c. Incest. Non-forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
 - d. Statutory Rape. Non-forcible sexual intercourse with a person who is under the statutory age of consent.
4. **Dating violence.** “Dating violence” means violence committed by a person: (1) who is or has been in a social relationship of a romantic or intimate nature with the victim; and (2) where the existence of such a relationship shall be determined based on a consideration of the following factors: a) the length of the relationship; b) the type of relationship; and c) the frequency of interaction between the persons involved in the relationship; but that does not constitute dating violence as a Title IX Category Violation as defined above because of the context in which it occurs (for example, because the complainant was not in the United States at the time of the alleged conduct, because the complainant was not participating in or seeking to participate in the College’s education program or activity at the time of the complaint, or because the conduct did not occur in the context of the College’s education program or activity).
5. **Domestic violence.** “Domestic violence” means violence committed by a or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction where the College is located, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction, if the conduct does not constitute domestic violence as a Title IX Category Violation as defined above because of the context in which it occurs (for example because the complainant was not in the United States at the time of the alleged conduct, because the complainant was not participating in or seeking to participate in the College’s education program or activity at the time of the complaint, or because the conduct did not occur in the context of the College’s education program or activity).
6. **Stalking.** “Stalking” is engaging in a course of conduct directed at a specific person that would cause a reasonable person to: (1) fear for his or her safety or the safety of others; or (2) suffer substantial emotional distress, but that does not constitute stalking as a Title IX Category Violation as defined above because of basis on which it occurs or the context in which it occurs (for example because the complainant was not in the United States at the time of the alleged conduct, because the

complainant was not participating in or seeking to participate in the College's education program or activity at the time of the complaint, or because the conduct did not occur in the context of the College's education program or activity).

7. **Sexual Exploitation.** Sexual exploitation occurs when, without affirmative consent, a person takes sexual advantage of another in a manner that does not constitute another violation under this Policy. Examples of sexual exploitation include, but are not limited to: prostitution, acts of incest, observing or recording (whether by video, still photo or audio tape) of a sexual or other private activity (such as consensual sexual activity, undressing or showering) without the affirmative consent of all involved; taking intimate pictures of another, but then distributing the pictures to others without the photographed person's affirmative consent; engaging in voyeurism, engaging in consensual sexual activity with another person while knowingly infected with human immunodeficiency virus (HIV) or other sexually transmitted disease (STD) without informing the other person of such infection; or exposing one's genitals in non-consensual circumstances.

8. **Retaliation.** Retaliation is an adverse act perpetrated to "get back" at a person because the person reported sexual misconduct, filed a complaint, or participated in an investigation or proceeding conducted pursuant to this policy by the College or by an external agency. An act of retaliation may be anything that would tend to discourage an individual from reporting sexual misconduct, pursuing an informal or formal complaint, or from participating in an investigation or adjudication as a party or a witness. A person who acts in good-faith is protected from retaliation. The fact that a statement is not determined to be proven or established following investigation and adjudication does not mean that the statement lacked good-faith; a person may provide inaccurate information believing it is accurate, which is still good-faith. If a person who makes a statement knowing that it is false, the person has acted without good-faith.

Support & Assistance

Seek a safe place. Villa Maria College Title IX officers, Campus Security officers, Local police officers (typically Cheektowaga or Buffalo Police Departments), and the New York State Police can help you do this. Officers at the local police and New York State Police are specifically trained to respond to the needs of a victim of a sexual offense. They can also make you aware of support and advocacy services and advise you about reporting procedures and requirements.

Consider seeking medical assistance. Those who seek a medical examination may obtain one for free, paid by the office of victim services (<https://ovs.ny.gov/>). The

College recommends that students seek medical examination at one of the following facilities that has a trained SANE nurse available:

- Buffalo General Medical Campus
- DeGraff Memorial Hospital
- Kenmore Mercy Hospital
- Mercy Ambulatory Care Center
- Mercy Hospital
- Millard Fillmore Suburban Hospital
- Sisters of Charity Hospital – Main Campus
- Sisters of Charity Hospital – St. Joseph Campus

The closest location to Villa Maria College to have an exam is Sisters of Charity Hospital – St. Joseph Campus located at 2605 Harlem Rd, Cheektowaga, NY 14225 (716) 891-2400. More information about SANE/SAFE program through Crisis Services can be found on-line: <http://crisisservices.org/rape-domestic-violence/what-is-sexual-violence/> Consider taking a full change of clothing, including shoes, for use after a medical examination. When seeking medical attention, a person may choose whether or not to speak to the police at the hospital or any other time. If they do, the option to choose whether to file charges against the respondent will exist.

Private physicians are not required to notify the police. If a victim desires police involvement, they may request this contact. Also, with a private physician, survivors may have to ask for a rape kit to be completed. Please keep in mind: having a rape exam does not mean that survivors are mandated to press charges. This action only keeps the survivor's options open.

Preserve evidence. In the event that sexual assault or sexual violence occurred, do everything possible to preserve evidence by making certain that the crime scene is not disturbed. (The decision to press charges does not have to be made at this time. However, following these procedures will help preserve this option for the future.) Survivors should not bathe, urinate, douche, brush teeth, or drink liquids. Clothes should not be changed but if they are bringing all the original clothing to the hospital in a paper bag. (Plastic bags damage evidence.)

VII. Confidential and Non-Confidential Resources

Understanding Confidentiality

Confidentiality may be offered by an individual who is not required by law to report known incidents of sexual assault or other crimes to College officials, in a manner consistent with state and federal law, including but not limited to 20 U.S.C. § 1092(f) and 20 U.S.C. § 1681(a). Licensed mental health counselors and pastoral counselors are examples of Villa Maria employees who may offer confidentiality.

The College encourages any person who has experienced sexual assault or other forms of sexual misconduct to talk to someone about what happened, so she or he can get the support needed. There are a variety of confidential resources available to members of

the College community. Some of these resources maintain near complete confidentiality; talking to them is sometimes called a “privileged communication.”

The obligation to keep information in confidence is inherent for certain Villa Maria professionals on campus, such as licensed social workers, licensed psychologists, and pastoral and professional counselors (including licensed mental health counselors). Many off-campus resources such as rape crisis centers are also confidential, and with the exception of certain child abuse and imminent threats, individuals working in such organizations have no obligation to report information back to the reporting individual’s campus.

A confidential resource does not reveal the information shared with him/her/them without the disclosing person’s consent. (There may be instances where a confidential resource must disclose information in a criminal or civil court proceeding, but those are very limited circumstances.) A list of confidential resources is provided below. The only College employees who can offer confidentiality are those listed as confidential resources below.

A non-confidential resource is a person who is permitted to share information with others with a need to know. A College employee who is a non-confidential resource will disclose to as few individuals as possible, but a non-confidential resource does not have the ability to promise that he/she/they will not tell others within the College about the information that has been shared with him/her/them.

It is important to note that all other Villa Maria employees who do not fall within the categories listed as confidential resources are required to report known incidents of sexual assault or other forms of sexual misconduct, so they are NOT confidential resources. However, even Villa Maria offices and employees who cannot guarantee confidentiality will maintain your privacy to the greatest extent possible. The information you provide to a non-confidential resource will be relayed only as necessary for the Title IX Coordinator to investigate and/or seek a resolution.

Be aware that certain Villa Maria officials with significant responsibility for student and employee activities may be mandated reporters required by law to disclose the occurrence of an event if and when it comes to their attention. If you make a report to an official who is required by law to disclose the occurrence of the event, but you request confidentiality and decline to file a formal complaint, the Title IX coordinator will evaluate the confidentiality request, by weighing the request against the College’s obligation to provide a safe, non-discriminatory environment for all members of its community. If it is determined that the College cannot honor the individual’s request for confidentiality, the individual will be informed by the Title IX Coordinator and will be offered privacy to the greatest extent possible. If it is determined that the incident can be kept confidential and the individual’s request will be honored, Villa Maria will still assist with academic, housing, transportation, and other reasonable supportive measures and available accommodations.

Privacy – Privacy may be offered by an individual when such individual is unable to offer confidentiality but shall still not disclose information learned from a reporting individual

or bystander to a crime or incident more than necessary to comply with applicable laws, including informing appropriate Villa Maria officials. Although most Villa Maria employees are not confidential resources, they can still offer “privacy.” This means that an employee may have to share information pursuant to federal or state law or college policy with certain other Villa Maria employees, but they will not share the private information beyond what is required or needed to comply with law and policy, and will otherwise limit re-disclosure as much as possible. Privacy of the records specific to the investigation is maintained in accordance with New York State law and, with respect to student records, the federal Family Educational Rights and Privacy Act of 1974 (FERPA) statute. Any public release of information to comply with the timely warning provisions of the Jeanne Clery Act (Clery Act) will not release the names of victims or information that could easily lead to a victim’s identification.

Villa Maria will make every effort to ensure that you are asked to describe the incident to as few representatives of Villa Maria as possible, and are not required to unnecessarily repeat a description of the incident.

The following Confidential Resources are available to members of the College community. The College’s on-campus health, counseling and pastoral services noted below are available to students free of charge.

VIII. **Reporting to Law Enforcement**

Any person may call 911 or Campus Security, which can be reached at 716-870-7176, for immediate safety assistance. Campus Security can also assist the individual in making a report of a crime to local law enforcement.

Individuals may, but are not required, to report a sexual offense to local law enforcement for the purposes of documentation or investigation. Individuals may contact local law enforcement as follows:

1. **Cheektowaga Police (Villa Maria College campus is in Cheektowaga, NY).** 3223 Union Road, Cheektowaga, New York 14227. Emergencies 9-1-1. Non-Emergency Phone: (716) 686-3500. <http://cpdny.org/>
2. **Buffalo Police.** 74 Franklin Street, Buffalo, NY 14202. Emergencies 9-1-1. Non-Emergencies (716) 851-4444. <https://www.bpdny.org/>

Villa Maria College Campus Security staff can assist students in contacting local law enforcement at any time. If you choose to contact law enforcement, you may have the further option, but are not required to, pursue the case through the criminal justice system.

You should be aware that there are significant differences between Villa Maria's formal adjudication process, meaning investigation and hearing process, and the criminal justice system. In the criminal justice system, prosecutors pursue cases when they believe there is sufficient evidence to prove, beyond a reasonable doubt, that an individual has committed a criminal act. A person who is convicted of a crime will face criminal penalties, such as incarceration, probation, or the imposition of a fine. Villa Maria's policy seeks to determine whether an individual has violated college policy. In this process, a preponderance of the evidence standard of proof is used to determine responsibility. A person who is found to have violated College policy may be suspended, expelled, terminated from employment or otherwise restricted from full participation in the College community.

Orders of Protection

Orders of protection and other forms of legal protection may be available to individuals who have experienced or are threatened with violence by a College community member or other person. Individuals who have been subjected to sexual assault or other forms

of sexual misconduct may have a right to obtain a court order to protect themselves from the perpetrators. Villa Maria will enforce all applicable no contact orders, restraining orders, and similar lawful orders issued by a criminal, civil, or tribunal court, to the extent required by law.

An order of protection is issued by the court to limit the behavior of someone who harms or threatens to harm another person. It is used to address various types of safety issues, including, but not limited to situations involving domestic violence. Family Courts, criminal courts, and Supreme Courts can all issue orders of protection. An order of protection may direct the offending person not to injure, threaten or harass you, your family, or any other person(s) listed in the order. You may learn more about obtaining an Order of Protection in New York State

here: <https://www.nycourts.gov/faq/orderofprotection.shtml>

Campus Security, or other College officials, will, upon request, provide reasonable assistance to any member of the campus community in obtaining an order of protection or, if outside of New York State, an equivalent protective or restraining order, including providing that person with:

- A copy of an order of protection or equivalent when received by the College and providing that person with an opportunity to meet or speak with a College representative, or other appropriate individual, who can explain the order and answer questions about it, including information from the order about the other person's responsibility to stay away from the protected person or persons;
- An explanation of the consequences for violating these orders, including but not limited to arrest, additional conduct charges, and interim suspension; and
- Assistance in contacting local law enforcement to effect an arrest for violating such an order of protection.

If you have obtained an Order of Protection, please present the information to Campus Security, a Title IX Officer, or the Dean of Student Affairs for assistance on campus. Questions about whether incidents violate criminal laws and how the criminal process works should be directed to law enforcement officials or the local district attorney's office.

Reporting to the College and Formal Complaint Process

A. Reporting to Campus Compliance Officers

A Responsible Employee is an individual designated by the College to respond on the College's behalf to allegations of violations of this Policy. A Responsible Employee is a Non-Confidential Resource. The College has Campus Compliance Officers who are specially trained to receive reports under this policy and assist community members in understanding their rights and options.

When you disclose an incident to a representative of Villa Maria College, you will be directed to one of the following individuals listed below, who will assist you. You will be presented a copy of this policy, and will be made aware of your rights and options. All

who make a report will be informed that they have the right to make a report to local law enforcement, and/or NYS Police, or choose not to report; to report the incident to Villa Maria College Compliance Officers; to be protected by the institution from retaliation for reporting an incident; and to receive assistance and resources from Villa Maria College. Individuals are encouraged to report an alleged violation of this policy to any one of the **Villa Maria College Compliance Officers** identified below:

- DJ Schier

Title IX Coordinator, Dean of Students 716.961.1878
dschier@villa.edu
Main Building, Ground Floor across from Room 14

- Brian Emerson

Deputy Title IX Coordinator, Executive Vice President, Civil Rights Compliance Officer
716.961.1838
bemerson@villa.edu
Main Building, Across from Business Office

An individual who reports an incident to a College employee or office other than one of the Campus Compliance Officers listed above risks that the information may not be acted upon by the College. Therefore, a person who wishes for the College to take action is strongly encouraged to report to one of the individuals listed above.

While the individuals listed above are not a Confidential Resource, College offices and employees who cannot guarantee confidentiality will maintain your privacy to the greatest extent possible. The information you provide to a non-confidential resource will be relayed only as necessary and on a need-to-know basis for the Title IX Coordinator to provide individuals with their options, investigate and/or seek a resolution.

Reporting Workplace Sexual Harassment

In compliance with New York State law, sexual harassment, when committed by an employee, is considered a form of employee misconduct. Employees who believe that

they are being subjected to harassment or discrimination in violation of this Policy, or who have witnessed or otherwise become aware of behavior prohibited by this Policy should promptly report that behavior to a supervisor, the Human Resources Manager, the Title IX Coordinator, or a member of the College's administration. With respect to sexual harassment of employees, any College supervisor or manager who receives a complaint or information about workplace sexual harassment is required to take appropriate action. Appropriate action may include immediately intervening if harassment is witnessed by the supervisor or manager, and in all instances includes reporting the situation to the Title IX Coordinator. In addition to being subject to discipline if they themselves engage in sexually harassing conduct or retaliation, individuals with supervisory authority over other College employees will be subject to discipline for knowingly allowing sexual harassment to continue.

Anonymous Reports

Students and employees may make an anonymous report that will be sent to campus security and the Campus Compliance officers at: <https://www.villa.edu/campus-life/campus-security/anonymous-reporting>

B. Supportive Measures

Once a report is made under this Policy, the complainant will be contacted by the Title IX Coordinator and offered individualized support as more fully described below. A report that triggers supportive measures need not be a formal complaint, and it may be made by a third-party (i.e., someone other than the complainant himself/herself). Once the respondent is informed of a report or a formal complaint, the respondent will be contacted by the Title IX Coordinator and offered individualized support as more fully described below.

Supportive measures are intended to restore or preserve, to the extent practicable, equal access to the College's educational programs and activities and protect the safety of all parties without unreasonably burdening the other party or parties. As required by federal regulation, these supportive measures must be non-disciplinary and non-punitive to the parties.

Supportive measures could include, but are not limited to:

- Changes or adjustment in academics such as the extension of deadlines or other course-related adjustments or allowing a withdrawal from a course without penalty;
- Changes to housing, transportation and campus working situations if those changes are requested by a party and reasonably available;
- Mutual "No Contact" orders and, possibly, in rare cases, such as when legal restraining orders or orders of protection have been issued, one-way no contact orders.
- Access to campus escorts or other reasonable security or monitoring measures;

- Counseling services; and
- Interim removal of a student from College will only be done pursuant to the Emergency Removal protocol, discussed below.

The Title IX Coordinator is responsible for coordinating the implementation of supportive measures, including coordinating with the various College departments and offices that may be involved. Supportive measures will be offered free of charge.

If a party's request for a supportive measure is denied, the party will be afforded an opportunity to have the denial promptly reviewed to assess whether the supportive measure is reasonable under the circumstances. In addition, each party will, upon request, be afforded the opportunity for a prompt review of the need for and the terms of no contact orders and other supportive measures that have been implemented, including the potential modification of these measures, to the extent that the party is affected by the measure(s) being reviewed. Requests to review a decision with regard to the denial of or need for supportive measures, including a no contact order, should be submitted in writing to Title IX Coordinator, DJ Schier, who is the Dean of Students. Each party will be allowed to submit evidence in support of, or in opposition to, the request to the extent the supportive measures under review affects that party. Additional information about how to request a review will be included in a written communication that will outline the supportive measures offered and any that were requested by the party but denied.

C. Emergency Removal of Student Respondents

In some cases, the College may undertake an emergency removal of a student respondent in order to protect the safety of College community, which may include contacting local law enforcement to address imminent safety concerns.

Emergency removal is not a substitute for reaching a determination as to a respondent's responsibility for the sexual harassment allegations; rather, emergency removal is for the purpose of addressing imminent threats posed to any person's physical health or safety, which may arise out of the sexual harassment allegations.

Prior to removing a student respondent through the emergency removal process, the College will undertake an individualized safety and risk analysis. If the individualized safety and risk analysis determines that an immediate threat to the physical health or safety of any student, including the student respondent, or other individual justifies removal, then a student respondent will be removed. This is the case regardless of the severity of the allegations and regardless of whether a formal complaint was filed.

After determining a student respondent is an immediate threat to the physical health or safety of an individual, the Title IX Coordinator will provide written notice of the emergency removal to both the complainant and respondent. This notice will contain: (1) the date the removal is set to begin, (2) the reason for the emergency removal, (3) the consequences of non-compliance, and (4) how to appeal the decision.

If a student respondent disagrees with the decision to be removed from campus, the respondent may appeal the decision. The respondent must provide written notice of the intent to appeal, which shall include the substance of the appeal, to the Title IX Coordinator, DJ Schier, at dschier@villa.edu within 10 days of receiving the notice of removal. The burden of proof is on the student respondent to show that the removal decision was incorrect. The Dean of Students will issue a determination in response to the request and notify both parties of the determination.

This section applies only to student respondents. Employee respondents are not subject to this section and may be placed on administrative leave pursuant to the College's policies and/or collective bargaining agreements during the pendency of a Title IX grievance process.

D. Disability Accommodation

A Complainant or Respondent with a disability who requires accommodation in the complaint, investigation, hearing or any other phase of the process is responsible for disclosing the need for accommodation to the Title IX Coordinator. The Title IX Coordinator may consult with the appropriate College offices and officials in deciding whether to grant a disability accommodation request.

E. Amnesty for Students

The health and safety of every student at the College is of utmost importance. Villa Maria College recognizes that students who have been drinking and/or using drugs (whether such use is voluntary or involuntary) at the time that violence, including but not limited to domestic violence, dating violence, stalking, or sexual assault occurs may be hesitant to report such incidents due to fear of potential consequences for their own conduct. The College strongly encourages students to report domestic violence, dating violence, stalking, or sexual assault to institution officials. A bystander acting in good faith or a reporting individual acting in good faith that discloses any incident of domestic violence, dating violence, stalking, or sexual assault to the College's officials or law enforcement will not be subject to the College's code of conduct action (including but not limited to action under this policy) for violations of alcohol and/or drug use policies occurring at or near the time of the commission of the domestic violence, dating violence, stalking, or sexual assault.

F. Grievance Process

a. Filing a Formal Complaint.

A formal complaint is necessary to initiate the College's grievance process, meaning an investigation and adjudication process. A formal complaint must be in written form and must be signed by the complainant. A third-party or anyone other than the victim of the misconduct may not file a formal complaint. However, a formal complaint may be filed by a parent or guardian of a minor person.

A formal complaint is a document filed by a complainant or signed by the College's Title IX Coordinator alleging sexual harassment against a respondent and requesting that the College investigate the allegation. The respondent may be either a student or an employee or a visitor, independent contractor, intern, or volunteer of the College. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail to:

DJ Schier, Title IX Coordinator, Dean of Students
716.961.1878, dschier@villa.edu
Main Building, Ground Floor across from Room 14240
Pine Ridge Road Buffalo, NY 14225

In order to qualify as a formal complaint, the document must contain the complainant's physical or electronic signature, or otherwise indicate that the complainant is the person filing the formal complaint.

If a complainant declines to sign a formal complaint or does not wish to participate in the complaint and adjudication process, or the complainant's identity is unknown, and the Title IX Coordinator determines there is sufficient cause to file a formal complaint, the Title IX Coordinator may file a formal complaint. In such cases, the Title IX Coordinator is not considered to be a complainant or other party under this Policy.

The Title IX Coordinator will consider the wishes of the complainant not to proceed with the investigation and adjudication process. However, the Title IX Coordinator may file a formal complaint if the Title IX Coordinator determines that the allegations are such that it would be unreasonable not to proceed despite the wishes of the complainant.

In making this determination, the Title IX Coordinator will consider, among other factors: the risk that the alleged perpetrator will commit additional acts of sexual misconduct or other violence, which may be assessed by evaluating:

- whether there have been other complaints about the same alleged perpetrator;
- whether the alleged perpetrator has a history of arrests or records from a prior school indicating a history of violence;
- whether the alleged perpetrator threatened further sexual violence or other violence against the victim or others;
- whether the sexual violence was committed by multiple perpetrators whether the sexual violence was perpetrated with a weapon;
- whether the victim is a minor;

- whether the College possesses other means to obtain relevant evidence of the prohibited conduct (e.g., security cameras or personnel, physical evidence);
- whether the victim's report reveals a pattern of perpetration (e.g., via illicit use of drugs or alcohol) at a given location or by a particular group.

Additionally, where the respondent is not enrolled at the College and is not employed by the College, the College may decline to process the complaint through the Grievance Process. The College may take the steps it deems appropriate under the circumstances.

If the Title IX Coordinator determines that the Complainant's request that the College not conduct an investigation can be honored, the College will still assist with academic, transportation, employment, and other reasonable and available supportive measures.

If the Title IX Coordinator determines that the Complainant's request that the College not conduct an investigation cannot be honored, and an investigation is necessary, the College will notify the Complainant and take immediate action as necessary to protect and assist him/her and, if the Complainant declines to file a formal complaint, the Title IX Coordinator will do so.

b. Mandatory Dismissal of Title IX Category Charges

The Title IX Coordinator will review a formal complaint filed by a Complainant. In order to comply with Title IX regulations, the Title IX Coordinator must "dismiss" the Title IX Category violation(s) if it is apparent that the allegations are not within the scope of Title IX, including that the conduct alleged:

- would not constitute sexual harassment as defined in Section XX, even if proved,
- did not occur in the College's education program or activity, or
- did not occur against a person in the United States.

Notice of dismissal of the Title IX Category violation(s) will be in writing and issued to both the Complainant and Respondent. The Title IX Coordinator may determine at any point in the process that facts have emerged that require the dismissal of a Title IX Category violation. A decision to dismiss a Title IX Category violation is immediately appealable by the complainant, pursuant to the appeals section set forth in this Policy.

Even if Title IX Category violations are subject to dismissal, the College may continue to process the allegations as College Category violations, assuming that the allegations, if true, would constitute College Category violations.

c. **Discretionary Dismissal of Title IX Category Charges**

The Title IX Coordinator may, but is not required to, dismiss formal complaints in the following circumstances:

- When the complainant withdraws a formal complaint;
- When the respondent is no longer enrolled in or employed by the College; and
- Where specific circumstances prevent the College from gathering evidence (such as where a complainant refuses to cooperate but does not withdraw a formal complaint).

The decision to dismiss or not to dismiss a charge under these circumstances will depend on the totality of the situation.

Informal Resolutions Policy

A. Informal Resolution Process

An Informal Resolution Process is a voluntary process in which a trained facilitator assists the parties in resolving the allegations made by a complainant. An Informal Resolution prioritizes educational and conciliatory approaches over more adversarial contestation of the facts. One objective of the Informal Resolution is to provide to the parties an opportunity to hear each other's concerns and address them as collaboratively and usefully for the parties as possible, with the assistance of the facilitator.

The intent of an Informal Resolution Process is for the parties to undertake a facilitated discussion regarding the matters at issue related to the allegations to see if they can reach agreement on a resolution that leaves both parties feeling satisfied with that resolution. The Informal Resolution Process is not available if the respondent in a sexual misconduct complaint is a faculty or staff member of College and the complainant is a student. Supportive measures are available to both parties in the same manner as they would be if the formal complaint were proceeding under the formal grievance and hearing process.

B. Steps Prior to the Informal Resolution Process

The Title IX Coordinator will offer the Informal Resolution Process to the parties after a formal complaint is filed by a complainant. Both parties must consent to use the Informal Resolution process. Either party in an Informal Resolution process may terminate it at any time and the complaint will proceed to the formal grievance and hearing process. In some instances, as detailed below, the facilitator in the Informal Resolution process may terminate the process as well.

A written notice will be given to both parties before entering an Informal Resolution Process, and both parties must consent to the process in writing. No party should feel intimidated, coerced or threatened to participate in an Informal Resolution Process, or to withdraw from an Informal Resolution Process.

If both parties consent to participate in the Informal Resolution process, the College will assign a facilitator who will act in an independent, impartial manner to facilitate a resolution between the parties. The facilitator will be trained on how to perform the role. The facilitator will also be screened to ensure that such person is free from conflicts of interest and bias.

C. How the Process Works

The facilitator will schedule one or more meetings with the parties. The facilitator will assist the parties in communicating information and opinions to the facilitator and each other regarding the allegations in an effort to find common ground and a resolution of the allegations that is satisfactory to both parties. The facilitator may meet separately with each party to explore the party's views about the allegations and desired outcome from the process. Either party can elect to have any meeting occur so that the parties are in different rooms and the facilitator "shuttles" between the parties.

The facilitator's role is to conduct the Informal Resolution process in a way that is impartial and does not favor one party over the other. The facilitator will not be available as a witness in any hearing that may occur should either party terminate the Informal Resolution process before a resolution. This is in keeping with the concept that the facilitator is impartial and is only facilitating the interaction between the two parties and is not listening or taking notes for any purpose other than assisting the parties.

Should the Formal Complaint be returned to the formal grievance and hearing process of this policy, the parties may not disclose information shared by the other party during the informal resolution process in the hearing. This confidentiality protection does not apply to information that is learned outside the Informal Resolution process through the investigation or otherwise.

D. Possible Outcomes of the Process

A resolution is reached only if both parties agree. The facilitator will not impose an outcome, although they may assist the parties in suggesting resolutions that appear to meet the parties' needs. If there is no agreement on a resolution, the complaint is returned to the formal grievance and hearing process outlined in this policy. A party may terminate the informal process at any time before the final written resolution is signed. If an agreement is reached, the facilitator will draft a document reflecting the agreement between the parties that becomes final once it is signed by both parties. This written and signed resolution indicates that the complaint has been resolved under this policy without the need for further investigation or to pursue the formal grievance and hearing process. If an Informal Resolution Process does not result in an agreed-upon resolution, the complaint returns to the formal grievance and hearing process outlined in this Policy.

Investigation Procedures

A. Appointment of Investigator

Where a formal complaint has been filed, and in the absence of an informal resolution, the College will appoint an investigator to conduct an investigation into the allegations in the formal complaint. The investigation is an impartial fact-finding process.

The College may appoint any qualified investigator, who may be a person internal or external to the College. The College also may appoint more than one investigator in the College's sole discretion. Generally, if the formal complaint involves employees, the Director of Human Resources will conduct the investigation. If the Title IX Coordinator is implicated in the report, the President will be responsible for designating an investigator to conduct the investigation. If, in a rare case, it would be inappropriate for the Title IX Coordinator or President to designate an investigator to conduct the investigation, then the Chair of the Board of Trustees will make this designation.

B. Temporary Delay Due to Concurrent Law Enforcement Investigation

The College's investigation may be temporarily delayed where there is a concurrent law enforcement investigation if necessary to avoid interference with the law enforcement investigation. Any such delay shall not exceed ten (10) days unless the law enforcement agency requests and justifies a longer delay.

C. Notice of Investigation

The Complainant and Respondent shall receive a Notice of Investigation & Allegations (NOIA) referencing the violation(s) of this policy alleged to have been committed and the range of possible disciplinary sanctions and remedies following any determination of responsibility. The NOIA will include, to the extent known:

- the identities of the involved parties;
- the date, time, location and factual allegations concerning the alleged violation;
- the policy provisions allegedly violated;
- a description of the investigation and adjudication process;
- potential sanctions;
- the right to an advisor of their choice, who may be, but is not required to be, an attorney;
- their right to inspect and review evidence in accordance with this policy;
- notice that knowingly making false statements or knowingly submitting false information is prohibited under the Student Code of Conduct; and
- that the Respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the process

If, in the course of the investigation, the College decides to investigate allegations that are not included in the notice initially provided to the parties, the Title IX Coordinator or designee will provide notice of the additional allegations to the parties.

D. Notice of and Opportunity to Object to Investigator

The Complainant and Respondent will be provided with notice of the name of the appointed investigator and an opportunity of not more than two (2) days after the notice to raise an objection to the investigator based on any alleged conflict of interest known to the party. If an objection is raised, the Title IX Coordinator will determine whether a conflict of interest in fact exists and necessitates the replacement of the investigator.

E. Meetings and Interviews to Gather Information

The Complainant and Respondent will be provided with advance written notice of the date, time, location, participants, and purpose of any meeting or interview in which they are invited to or expected to participate. The Complainant and Respondent have a right to be accompanied by an advisor of their choice, who may be an attorney. The College does not appoint an advisor for a party during the investigation phase of the process.

The Complainant and the Respondent will be given an equal opportunity to present information. This includes the opportunity to present fact or expert witnesses and other evidence that the party believes tends to prove or disprove the allegations. However, at all times, the burden of gathering evidence remains with the College. The investigator may decline to interview any witness or to gather information the investigator finds to be not relevant or otherwise excludable (e.g., sexual history of the complainant with a person other than the respondent, materials subject to a recognized privilege, medical records in the absence of a release by the subject of the records, etc.). The investigator will determine the order and method of investigation.

Questions and evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant, other than questions and evidence about the Complainant's prior sexual behavior that (a) are offered to prove that someone other than the Respondent committed the alleged misconduct, or (b) concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent.

No unauthorized audio or video recording of any kind is permitted during investigation meetings or interviews. If the investigator elects to audio and/or video record interviews, all involved parties involved in the meeting or interview will be made aware that audio and/or video recording is occurring.

F. Opportunity for Inspection and Review of Evidence

The Complainant and Respondent will be provided an equal opportunity to inspect and review any evidence obtained in the investigation directly related to the allegations gathered in the investigation and regardless of whether the information will be relied on

in reaching a determination. The parties and their advisors may not make photocopies or take photographs of the materials and are prohibited from disseminating any of the materials subject to inspection and review with any individuals outside of those engaged in the grievance process. Prior to the conclusion of the investigative report, the Complainant and Respondent, and each party's advisor of choice, if any, will be provided a copy (which may be sent in hard copy or electronic format or made available through an electronic file sharing platform) of the evidence, subject to redaction permitted and/or required by law. The Complainant and Respondent will be provided with at least ten (10) days to submit a written response, which the investigator will consider prior to completion of the investigative report. The investigator will determine if additional investigation is necessary and, if so, will complete any additional investigative steps.

G. Investigative Report

At the conclusion of the investigation, the investigator will complete a written investigative report that fairly summarizes the relevant evidence. The investigator need not include information in the investigative report that the investigator determines not relevant or otherwise excludable. The investigator will submit the investigative report to the Title IX Coordinator.

At least ten (10) days prior to a hearing to determine whether there is responsibility for the allegations, the Complainant and Respondent, and each party's advisor if any, will be provided a copy of the investigative report (which may be sent in hard copy or electronic format or made available through an electronic file sharing platform), subject to redaction permitted and/or required by law.

H. Consolidation of Cases

The Title IX Coordinator may determine that cases where the allegations arise out the same set of facts should be consolidated for purpose of the investigation and/or adjudication. Instances where consolidation of complaints may occur include but are not limited to cross-complaints filed by the parties against each other, multiple complaints by a single complainant against a respondent, or multiple complaints by a single complainant against multiple respondents.

I. Investigation Timeframe

The College will endeavor to complete an investigation within forty (45) days. An investigation may be extended for good cause, such as witness unavailability, breaks in the academic schedule, or other similar circumstances.

XII. Hearing Procedures

A. General

A hearing before a Hearing Officer designated by the Title IX Coordinator will be convened not less than ten days after the parties have been provided access to the final

investigative report, for the purpose of determining whether the Respondent is responsible or not responsible for the charge(s). The Hearing Officer may be a member of the campus community or may be external to the College, as determined by the Title IX Coordinator.

The Title IX Coordinator will notify the parties in writing of the date, time, and location of the hearing, the name of the Hearing Officer, and how to challenge participation by the Hearing Officer for bias or conflict of interest. Bias or conflict of interest will be judged by an objective standard (whether a reasonable person would conclude the decision maker is biased).

Participants in the hearing will include the Hearing Officer, the Complainant and the Respondent, their respective advisors, the investigator(s) who conducted the investigation, and witnesses (solely during their own testimony). Hearings are private. Observers or additional support personnel, other than the parties' advisors, are not allowed unless deemed necessary by the Title IX Coordinator for purposes such as accommodation of a disability. Cell phones and recording devices may not be used by the parties or their advisors in the hearing room(s).

Hearings may be conducted with all parties physically present in the same location or, at the Title IX Coordinator's discretion, any or all parties, witnesses, and other participants may appear at the live hearing virtually, with technology enabling the Hearing Officer and the parties to simultaneously see and hear any party or witness providing information or answering questions. If either party so requests, the hearing will be conducted with the parties located in separate rooms using technology as described in the preceding sentence.

The Title IX Coordinator may postpone the hearing for good cause as determined by the Title IX Coordinator. Good cause may include, without limitation, unavailability of one or more participants due to unanticipated events or circumstances, the timing of academic breaks or holidays, or other extenuating circumstances.

B. Procedural Matters

The Hearing Officer is in charge of organizing the presentation of information to be considered at the hearing. Generally, the hearing will proceed in the following order:

1. Opportunity for Opening Statement by the Complainant
2. Opportunity for Opening Statement by the Respondent
3. Questions for the investigator(s) by the Hearing Officer and, if desired, on behalf of Complainant and the Respondent (as described below)]
4. Questions for the Complainant by the Hearing Officer and, if desired, on behalf of the Respondent (as described below)
5. Questions for the Respondent by the Hearing Officer and, if desired, on behalf of the Complainant (as described below)

6. Questions for each witness by the Hearing Officer and, if desired, on behalf of Complainant and the Respondent (as described below)
7. Opportunity for Closing Statement by the Respondent
8. Opportunity for Closing Statement by the Complainant

Formal rules of evidence will not apply. Except as otherwise expressly prohibited by this Policy, any information that the Hearing Officer determines is relevant may be considered, including hearsay, history and information indicating a pattern of behavior, and character evidence. All evidence previously made available to the parties for inspection and review prior to completion of the investigative report as described above will be made available at the hearing to give each party equal opportunity to refer to such evidence during the hearing, including for purposes of questioning. Absent extraordinary circumstances as determined by the Hearing Officer, no party may seek to introduce at the hearing any evidence not previously made available in accordance with the preceding sentence, other than the investigative report itself and any responses to the investigative report submitted by the parties pursuant to review and exchange provision above.

The Hearing Officer will address any concerns regarding the consideration of information prior to and/or during the hearing and may exclude irrelevant information. Subject to the terms of this Policy, the Hearing Officer will have discretionary authority to determine all questions of procedure, to determine whether particular questions, evidence or information will be accepted or considered, to call breaks or temporary adjournments of the hearing, and/or to recall parties or witnesses for additional questions as the Hearing Officer deems necessary or appropriate. The Hearing Officer may impose additional ground rules as the Hearing Officer may deem necessary or appropriate for the orderly and efficient conduct of the hearing, which will apply equally to both parties.

C. Advisors

The Complainant and the Respondent may each have present with them during the hearing an advisor of their choice (at the party's expense, if the advisor is a paid advisor). If a party does not have an advisor present at the hearing, the College will provide, without fee or charge to that party, an Institution Advisor of the College's choice for the limited purpose of conducting questioning on behalf of that party as provided in this Policy.

Except with respect to questioning as described below, the advisor's role is limited to consulting with their advisee, and the advisor may not present evidence, address the Hearing Officer during the hearing, object to any aspect of the proceeding, or disrupt the hearing in any way, and any consultation with the advisee while the hearing is in progress must be done in a quiet nondisruptive manner or in writing. The advisor may consult with the advisee verbally outside the hearing during breaks, when such breaks are granted by the Hearing Officer. An advisor's questioning of the other party and any witnesses must be conducted in a respectful, nonintimidating and non-abusive manner. If the Hearing Officer determines that an advisor is not adhering to these or other ground rules, the advisor may be required to leave the hearing, and the hearing will proceed without an opportunity for the party to obtain a replacement advisor; provided, however, that the

College will assign an Institution Advisor of the College's choosing, without charge, for the purpose of conducting questioning on behalf of the party as provided below.

Witnesses are not permitted to bring an advisor or other person to the hearing, absent an approved disability accommodation. The Hearing Officer may be advised by and/or consult with the College's legal counsel as the Hearing Officer deems necessary or appropriate.

D. Questioning Procedures

The Hearing Officer will permit each party's advisor to ask the other party and any witnesses all relevant questions and follow-up questions, including those challenging credibility; provided that questions that seek disclosure of information protected under a legally recognized privilege will not be permitted unless the person or entity holding the privilege has waived the privilege in writing. Questioning must be conducted by the party's advisor in a respectful, nonintimidating and non-abusive manner, and never by a party personally. If a party does not have an advisor present at the hearing, the Title IX Coordinator will arrange for the College to provide, without fee or charge to that party, an Institution Advisor of the College's choice to conduct cross-examination on behalf of that party.

Only relevant questions may be asked by a party's advisor to a party or witness. Before the party or witness answers a question posed by an advisor, the Hearing Officer will first determine whether the question is relevant and explain any decision to exclude a question as not relevant. Such decisions by the Hearing Officer are final and not subject to objection or reconsideration during the hearing.

Questions and evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant, other than questions and evidence about the Complainant's prior sexual behavior that (a) are offered to prove that someone other than the Respondent committed the alleged misconduct, or (b) concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent.

If a party or witness does not submit to cross-examination at the hearing by a party's advisor as described above, the Hearing Officer may not rely on any statement of that party or witness, during the hearing or otherwise, in reaching a determination regarding responsibility. The Hearing Officer will not draw an inference as to responsibility based solely on a party's or witness's absence from the hearing or refusal to answer cross-examination questions.

The hearing will be recorded through either an audio recording or transcript. That recording or transcript will be made available to the parties, upon request, for inspection and review. Prior to obtaining access to the recording or transcript, the parties and their advisors must acknowledge in writing that they will not disseminate any of the testimony heard or evidence obtained in the hearing or use such testimony or evidence for any purpose unrelated to the grievance process.

E. Hearing Determinations

Following conclusion of the hearing, the Hearing Officer will deliberate and render a determination as to whether the Respondent is responsible or not responsible for the alleged violation(s). The Hearing Officer will use “preponderance of the evidence” as the standard of proof to determine whether each alleged violation of the Policy occurred. “Preponderance of the evidence” means that the Hearing Officer must determine whether, based on the evidence presented, it is more likely than not that the Respondent engaged in the conduct charged.

Each party may submit a written personal impact statement to the Title IX Coordinator for consideration by the Hearing Officer in determining an appropriate sanction if there is a finding of responsibility on one or more of the charges. The parties must submit their statements to the Title IX Coordinator within 24 hours after the conclusion of the hearing. The Title IX Coordinator will provide each of the parties an opportunity to review any statement submitted by the other party.

In addition to the impact statement(s), if any, factors considered when determining sanctions may include:

- the nature and severity of, and circumstances surrounding, the violation(s);
- the Respondent’s state of mind at the time of the violation(s) (intentional, knowing, bias-motivated, reckless, negligent, etc.);
- the Respondent’s previous disciplinary history;
- the need for sanctions to bring an end to the conduct; and/or to prevent the future recurrence of similar conduct;
- the need to remedy the effects of the conduct on the Complainant and/or the community;
- the impact of potential sanctions on the Respondent;
- sanctions imposed by the College in other matters involving comparable conduct; and
- any other lawful factors deemed relevant by the Hearing Officer.

The following are the sanctions that may be imposed upon students or organizations singly or in combination:

- Warning: A formal statement that the behavior was unacceptable and that further infractions of any College policy, procedure, or directive may result in more severe disciplinary action.
- Probation: A written reprimand for violation of the Policy, providing for more severe disciplinary sanctions in the event that the Respondent is found in violation of any College policy, procedure, or directive within a specified period of time. Terms of the probation will be specified and may include

denial of specified privileges, exclusion from extracurricular activities, no- contact orders, and/or other measures deemed appropriate.

- Suspension: Cessation of student status for a definite period of time and/or until specific criteria are met.
- Expulsion: Permanent termination of student status.
- Withholding Degree and/or Diploma: The College may withhold a student's degree and/or diploma for a specified period of time and/or deny a student participation in commencement activities.
- Other Actions: In addition to or in place of the above sanctions, the Hearing Officer may assign any other sanctions as deemed appropriate, including but not limited to the following:
 - Mandated counseling so the Respondent has the opportunity to gain more insight into his/her/their behavior.
 - A "no contact" directive (including but not limited to continuation of a no contact directive imposed as a supportive measure) prohibiting contact with one or more identified persons, in person or through telephonic, electronic, written or other means. A no contact directive may include additional restrictions and terms.
 - Requiring the Respondent to write a letter of apology.
 - Requiring unpaid service to the campus or local community stated in terms of type and hours of service.
 - Restitution for damage to or misappropriation of property, or for personal injury, and other related costs.
 - Loss, revocation or restriction of housing privileges (e.g., exclusion from specified locations).
 - Monetary fines.

F. Notice of Outcome

The Hearing Officer will issue a written determination including the following information:

- A description of the charges that were adjudicated;
- A description of the procedural steps taken from the submission of the formal complaint through the determination, including notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;

- Findings of fact supporting the determination;
- Conclusions regarding the application of the Policy to the facts;
- A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions to be imposed on the Respondent, and whether remedies designed to restore or preserve equal access to the College's educational programs or activities will be provided to the Complainant; and
- The procedures and permissible bases for the Complainant and Respondent to appeal.

The Title IX Coordinator will provide the written determination to the parties simultaneously.

XIII. **Appeals**

A respondent or complainant may appeal: (1) a determination regarding responsibility, and (2) the College's dismissal of a formal complaint or any allegations therein.

If a party wishes to appeal a determination regarding responsibility or the dismissal of a formal complaint, the party must submit written notice to the Title IX Coordinator of the party's intent to appeal within five (5) business days of receiving the written notification of the appealable decision.

A respondent or complainant may appeal on the following bases:

- Procedural irregularity that affected the determination regarding responsibility or dismissal of the matter;
- New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made that could affect the determination regarding responsibility or dismissal of the matter; and
- The Title IX Coordinator, investigator(s), or Hearing Officer had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the determination regarding responsibility or dismissal of the matter. The professional experience of an individual need not disqualify the person from the ability to serve impartially. Furthermore, bias is not demonstrated by working in complainants' or respondents' rights organization.

In the case of a claimed procedural irregularity, bias or new information, the appeal must also include a statement of the likely impact of the claimed irregularity, bias, or newly discovered information on the proceedings. A preponderance of the evidence standard will be applied on appeal. In addition to the three bases for appeal, College reserves the right to add additional bases for appeal that will be available equally to both the

respondent and the complainant. Any additional bases of appeal that are added will not be applied retroactively to previous determinations and dismissals.

When a party submits a written notice of its intent to appeal to the Title IX Coordinator within 5 business days of the appealable decision, College will notify the other party in writing and implement appeal procedures equally for both parties. If no written notice of either party's intent to appeal is sent, then the written determination becomes final after the time period to file an appeal (5 days) has expired.

Each party will be given a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome. Each party will have at least three (3) business days to submit its written appeal statement. If a party needs additional time, it can request such additional time from the decision-maker for the appeal. Such requests will be granted on a case-by-case basis. If the decision-maker for the appeal grants a request for additional time to submit a written appeal statement, all parties will be granted the additional time.

In cases involving a student respondent, the appeal will be decided by a three-member Appeal Panel appointed by the Title IX Coordinator. In cases where the respondent is an employee of the College, the Title IX Coordinator will assign an Appeal Officer. The decision-maker for the appeal will not be the same person as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator.

The decision-maker(s) for the appeal will issue a written decision describing the result of the appeal and the rationale for the result. This decision will be provided to both parties simultaneously and in writing. Once the appeal decision has been sent to the parties, the appeal decision is final.

XIV. **Timeframe for Resolution**

The College seeks to resolve every report of sexual misconduct within 90 calendar days of the filing of the formal complaint, excluding any appeal. The time frames included in this policy may vary depending on the details of the complaint and, in some cases, extenuating circumstances that may require an extension of the time frames.

Extenuating circumstances may include the time of the academic year (e.g., during Institute breaks or final exams), the number of witnesses involved, the availability of the parties or witnesses, the effect of a concurrent criminal investigation by local law enforcement, or other unforeseen circumstances. In the event that the investigation and resolution exceed this time frame, Villa Maria College will notify the Complainant and Respondent of the reason(s) for the delay and the expected adjustment in the time frame.

XV. **Notation on Student Transcripts for Crimes of Violence**

If a student is suspended or expelled as a result of being found responsible for a Crime of Violence, Villa Maria must make a notation on the student's transcript that the student

was “suspended after a finding of responsibility for a code of conduct violation” or “expelled after a finding of responsibility for a code of conduct violation.” If a student withdraws from Villa Maria while such conduct charges related to crimes of violence are pending against the student, and declines to complete the disciplinary process, Villa Maria must make a notation on the student’s transcript that he or she “withdrew with conduct charges pending.”

These transcript notations can be appealed by contacting the Vice President for Enrollment Management, Brian Emerson at bemerson@villa.edu. Transcript notations for violence-related suspensions shall not be removed prior to one year after conclusion of the suspension. Transcript notations for violence-related expulsions shall never be removed from a student’s transcript. A notation for an expulsion may not be removed via an appeal to Villa Maria. If a finding of responsibility is vacated for any reason, however, the transcript notation must be removed. Further, if a court vacates a finding of responsibility for a violation of College policy, the transcript notation memorializing that finding will also be vacated.

XVI. **Application to Faculty and Staff**

One or more of the College’s personnel policies or faculty and staff handbook policies may overlap with this policy in a particular situation. This policy applies to any situation where a student is the complainant or respondent. In all other situations, the College reserves the right to apply this policy or another applicable College policy or process. The College will apply this policy to any situation where the College determines that Title IX requires the application of this policy.

XVII. **Academic Freedom**

The College is an academic institution at which academic freedom possessed by those who are teaching/conducting research and their students is necessary and valued. The College will not construe this policy to prevent or penalize a statement, opinion, theory, or idea offered within the bounds of legitimate, relevant, and responsible teaching, learning, working, or discussion.

XVIII. **Clery Act Compliance**

The College is required to include for statistical reporting purposes the occurrence of certain incidents in its Annual Security Report (ASR). Neither the names of individuals involved in incidents nor the specific details of the incidents are reported or disclosed in ASRs. In the case of an emergency or ongoing dangerous situation, the College will issue a timely warning to the campus, except in those circumstances where issuing such a warning may compromise current law enforcement efforts or when the warning itself could potentially identify the reporting individual. In such circumstances, the name of the alleged perpetrator may be disclosed to the community, but the name of the victim/Complainant will not be disclosed.

XIX. Education & Training

Because Villa Maria College recognizes that prevention of Sexual Misconduct as an important issue, the College offers educational programming to a variety of groups such as: campus personnel (Campus Safety, faculty, and staff); incoming students participating in orientation; and, members of student organizations, among others.

Awareness and prevention of Sexual Misconduct educational programming offered to all first-year and transfer students, during the course of their onboarding, address topics (using a method and manner determined by Villa Maria), including but not limited to: relevant definitions of sexual assault, domestic violence, dating violence, stalking, confidentiality, privacy, and consent; assurance that policies apply equally to all students regardless of sexual orientation, gender identity, or gender expression; the role of the Title IX Coordinator, campus security, and other relevant offices that address domestic violence, dating violence, stalking, and sexual assault prevention and response; awareness of sexual violence, its impact on victims and survivors and their friends and family, and its long-term impact; bystander intervention and the importance of taking action to prevent violence when one can safely do so; and consequences and sanctions for individuals who violated this policy.

Villa Maria requires student leaders and officers of student organizations, as well as student-athletes, to complete training on domestic violence, dating violence, stalking, or sexual assault prevention prior to the start of such activities and/or participating in intercollegiate athletic competition.

Awareness and prevention of Sexual Offenses educational programming offered to all new employees at time of hire, as well as periodically through other employee training venues.

XX. Climate Surveys

Villa Maria will conduct a biannual or annual anonymous survey of students and employees to examine (1) the prevalence and incidence of Sexual Offense, (2) the perceptions of the campus climate, (3) the general awareness and knowledge of students and employees about the provisions of the New York Enough is Enough law, and (4) student experience with and knowledge of reporting and college adjudicatory processes. Participation in such climate survey shall be voluntary but is encouraged. Villa Maria will take steps to ensure that answers to climate assessments remain anonymous and that no individual is identified. The College will publish an executive summary of the climate assessment survey results on Villa Maria website, provided that no personally identifiable information or information which can reasonably lead a reader to identify an individual is shared.

XXI. **Coordination with Other Policies**

A particular situation may potentially invoke one or more College policies or processes. The College reserves the right to determine the most applicable policy or process and to utilize that policy or process.

XXII. **Designation of Authority**

Any College administrator or official empowered by this policy, may delegate their authority to any other appropriate College official. Delegation of authority may be necessary to avoid conflicts of interest or where time constraints or other obligations prevent a College official named in this policy from fulfilling their designated role.
